14 as mental health professionals, about the effects of war-related stress

23 programs contained in section 2 of this act with the services offered
24 by the department of social and health services, local mental health
25 organizations, and the federal department of veterans affairs to
26 minimize duplication. Programs and activities contained in section 2
27 (3) and (4) of this act, shall conclude thirty days after cessation of
28 the war in the Middle East.

1 NEW SECTION. **Sec. 4.** The department of veterans affairs shall
2 give priority in its counseling and instructional programs to treating
3 state veterans located in rural areas of the state, especially those
4 who are members of traditionally underserved minority groups, and women
5 veterans.

6 NEW SECTION. **Sec. 5.** The department of veterans affairs shall
7 design its post traumatic stress disorder and combat stress programs
8 and related activities to provide veterans with as much privacy and
9 confidentiality as possible and yet consistent with sound program
10 management.

11 NEW SECTION. **Sec. 6.** Sections 2 through 5 of this act are
