
SENATE BILL 6428

State of Washington

52nd Legislature

1992 Regular Session

By Senators Roach, Stratton and Oke; by request of Dept. of Social and Health Services, Department of Health, Superintendent of Public Instruction, Department of Community Development and Employment Security Department

Read first time 01/30/92. Referred to Committee on Children & Family Services.

1 AN ACT Relating to at-risk families; amending RCW 28A.300.040,
2 43.63A.065, and 43.70.020; adding a new section to chapter 43.20A RCW;
3 adding a new section to chapter 50.08 RCW; adding a new chapter to
4 Title 70 RCW; creating a new section; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that a broad
7 variety of services for children and families has been independently
8 designed over the years and that the coordination and cost-
9 effectiveness of these services will be enhanced through the adoption
10 of a common approach to their delivery. The legislature further finds
11 that the most successful programs for reaching and working with at-risk
12 families and children treat individuals' problems in the context of the
13 family, offer a broad spectrum of services, are flexible in the use of
14 program resources, and use staff who are trained in crossing

1 traditional program categories in order to broker services necessary to
2 fully meet a family's needs.

3 The legislature further finds that eligibility criteria,
4 expenditure restrictions, and reporting requirements of state and
5 federal categorical programs often create barriers toward the effective
6 use of resources for addressing the multiple problems of at-risk
7 families and children.

8 The purpose of this chapter is to improve the responsiveness of
9 services for children and families at risk by facilitating greater
10 coordination and flexibility in the use of funds by state and local
11 service agencies.

12 NEW SECTION. **Sec. 2.** It is the policy of the state of
13 Washington to promote:

14 (1) Family-oriented services and supports that:

15 (a) Recognize that families include both traditional and
16 nontraditional support systems and those who live alone;

17 (b) Respond to the changing nature of families;

18 (c) Respond to what individuals and families say they need, and
19 meet those needs in a way that maintains their dignity and respects
20 their choices; and

21 (d) Treat individuals holistically within the context of their
22 family and community, but when the individual's rights and those of the
23 family conflict, the rights and safety of the individual will prevail;

24 (2) Culturally relevant services and supports that:

25 (a) Explicitly recognize the culture and beliefs of each family and
26 use these as resources on behalf of the family;

27 (b) Provide equal access to culturally unique communities in
28 planning and programs, and day-to-day work, and actively address
29 instances where clearly disproportionate needs exist; and

1 (c) Enhance every culture's ability to achieve self-sufficiency and
2 contribute in a productive way to the larger community;

3 (3) Coordinated services that:

4 (a) Develop strategies and skills for collaborative planning,
5 problem solving, and service delivery;

6 (b) Encourage coordination and innovation by providing both formal
7 and informal ways for people to communicate and collaborate in planning
8 and programs;

9 (c) Allow clients, vendors, community people, and other agencies to
10 creatively provide the most effective, responsive, and flexible
11 services; and

12 (d) Commit to an open exchange of skills and information; and
13 expect people throughout the system to treat each other with respect,
14 dignity, and understanding;

15 (4) Locally planned services and supports that:

16 (a) Operate on the belief that each community has special
17 characteristics, needs, and strengths;

18 (b) Include a cross-section of local community partners from the
19 public and private sectors, in the planning and delivery of services
20 and supports; and

21 (c) Support these partners in addressing the needs of their
22 communities through both short-range and long-range planning and in
23 establishing priorities within state and federal standards;

24 (5) Community-based prevention that encourages and supports state
25 residents to create positive conditions in their communities to promote
26 the well-being of families and reduce crises and the need for future
27 services;

28 (6) Outcome-based services and supports that:

1 (a) Include a fair and realistic system for measuring both short-
2 range and long-range progress and determining whether efforts make a
3 difference;

4 (b) Use outcomes and indicators that reflect the goals that
5 communities establish for themselves and their children;

6 (c) Work towards these goals and outcomes at all staff levels and
7 in every agency; and

8 (d) Provide a mechanism for informing the development of program
9 policies;

10 (7) Customer service that:

11 (a) Provides a climate that empowers staff to deliver quality
12 programs and services;

13 (b) Is provided by courteous, sensitive, and competent
14 professionals; and

15 (c) Upholds the dignity and respect of individuals and families by
16 providing appropriate staff recognition, information, training, skills,
17 and support;

18 (8) Creativity that:

19 (a) Increases the flexibility of funding and programs to promote
20 innovation in planning, development, and provision of quality services;
21 and

22 (b) Simplifies and reduces or eliminates rules that are barriers to
