2 RCW 15.58.030, 15.58.040, 15.58.150, and 15.58.210.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 15.58.030 and 1989 c 380 s 1 are each amended to read
5 as follows:

7 section shall have the meanings indicated unless the context clearly
8 requires otherwise.

10 destroy, repel, control, or mitigate pests, or which will act as a
11 plant regulator, defoliant, desiccant, or spray adjuvant.

12 (2) "Antidote" means the most practical immediate treatment in case
13 of poisoning and includes first aid treatment.

14 (3) "Arthropod" means any invertebrate animal that belongs to the
15 phylum arthropoda, which in addition to insects, includes allied

1 classes whose members are wingless and usually have more than six legs;
2 for example, spiders, mites, ticks, centipedes, and isopod crustaceans.

3 (4) "Defoliant" means any substance or mixture of substances
4 intended to cause the leaves or foliage to drop from a plant with or
5 without causing abscission.

13 designated by the director, but not including equipment used for the
14 application of pesticides when sold separately from the pesticides.

15 (8) "Director" means the director of the department or a duly
16 authorized representative.

26 conditions of distribution or use of such restricted use pesticides and
27 may, if it is found necessary to carry out the purpose and provisions
28 of this chapter, require that any or all restricted use pesticides
29 shall be purchased, possessed, or used only under permit of the
