23 election in this state unless it correctly records on a separate ballot
24 the votes cast by each elector for any person and for or against any
25 measure and such separate ballots are available for audit purposes
26 after such a primary or election.

27 (2) Beginning January 1, 1993, the secretary of state shall not
28 certify under this title any voting device or machine for use in
29 conducting a primary or general or special election in this state

20 service. The notice shall contain the nature of the inquiry and
21 provide a suitable form for reply. The notice shall also contain a
22 warning that the county auditor must receive a response within forty-
23 five days from the date of mailing or the individual's voter
24 registration will be canceled.

25 (~~(3)~~) (4) The voter, in person or in writing, may state that the

12 auditor shall reinstate the voter.

13 (~~(6)~~) (7) A voter whose registration has been canceled under this
14 section and who offers to vote at the next ensuing election shall be
15 issued a questioned ballot. Upon receipt of such a questioned ballot
16 the auditor shall investigate the circumstances surrounding the
17 original cancellation. If he or she determines that the cancellation
18 was in error, the voter's registration shall be immediately reinstated,
19 and the voter's questioned ballot shall be counted. If the original
20 cancellation was not in error, the voter shall be afforded the
21 opportunity to reregister at his or her correct address, and the
22 voter's questioned ballot shall not be counted.

19 proposed action but not within the jurisdiction proposing the action.

20 If a period of forty-five days shall elapse without the board's
21 jurisdiction having been invoked as set forth in this section, the
22 proposed action shall be deemed approved.

23 If a review of a proposal is requested, the board shall make a
24 finding as prescribed in RCW 36.93.150 within one hundred twenty days

1 **Sec. 97.** RCW 36.93.140 and 1967 c 189 s 14 are each amended to
2 read as follows:

3 Actions described in RCW 36.93.090 which are pending July 1, 1967,

8 pending on and after the filing of sufficient petitions initiating the
9 same with the appropriate public officer, or the performance of an
10 official act initiating the same.

17 1971, there is a translator station retransmitting television signals
18 to such territory.

19 NEW SECTION. **Sec. 99.** PURPOSE. Voters of the unincorporated
20 areas of the state are authorized to establish community councils as
21 provided in this chapter.

22 It is the purpose of this chapter to provide voters of
23 unincorporated areas in counties with a population of over thirty
24 thousand that are made up entirely of islands with direct input on the
25 planning and zoning of their community by establishing a governmental
26 mechanism to adopt proposed community comprehensive plans and proposed
27 community zoning ordinances that are consistent with an overall guide
28 and framework adopted by the county legislative authority. In

1 addition, it is the purpose of this chapter to have community councils
2 serve as forums for the discussion of local issues.

3 NEW SECTION. **Sec. 100.** DEFINITIONS. Unless the context clearly
4 requires otherwise, the definitions in this section apply throughout
5 this chapter.

6 (1) "Community" means a portion of the unincorporated area for
7 which a community council has been established and which is located in
8 a county with a population of over thirty thousand that is made up
9 entirely of islands.

10 (2) "Community comprehensive plan" means a comprehensive plan
11 adopted by a community council.

12 (3) "Community council" means the governing body established under
13 this chapter to adopt community comprehensive plans and community
14 zoning ordinances for a community.

15 (4) "Community zoning ordinances" means the zoning ordinances
16 adopted by a community council to implement a community comprehensive
17 plan.

18 NEW SECTION. **Sec. 101.** MINIMUM REQUIREMENTS FOR A COMMUNITY
19 COUNCIL. A community for which a community council is created may
20 include only unincorporated territory located in a single county with
21 a population of over thirty thousand that is made up entirely of
22 islands and not included within a city or town. A community council
23 must have at least one thousand persons residing within the community
24 when the community council is created or, where the community only
25 includes an entire island, at least three hundred persons must reside
26 on the island when the community council is created. Any portion of
27 such a community that is annexed by a city or town, or is incorporated
28 as a city or town, shall be removed from the community upon the

1 effective date of the annexation or the official date of the
2 incorporation.

3 NEW SECTION. **Sec. 102.** CREATION. (1) The process to create a
4 community council shall be initiated by the filing of petitions with
5 the county auditor of the county in which the community is located
6 which: (a) Call for the creation of a community council; (b) set forth
7 the boundaries for the community; (c) indicate the number of community
8 councilmembers, which shall be five, seven, nine, or eleven; and (d)
9 contain signatures of voters residing within the community equal in
10 number to at least ten percent of the voters residing in the community
11 who voted at the last state general election. The county auditor shall
12 determine if the petitions contain a sufficient number of valid
13 signatures and certify the sufficiency of the petitions within fifteen
14 days of when the petitions were filed. If the petitions are certified
15 as having sufficient valid signatures, the county auditor shall
16 transmit the petitions and certificate to the county legislative
17 authority.

18 (2) The county legislative authority shall hold a public hearing
19 within the community on the creation of the proposed community council
20 no later than sixty days after the petitions and certificate of
21 sufficiency were transmitted to the county legislative authority.
22 Notice of the public hearing shall be published in a newspaper of
23 general circulation in the community for at least once a week for two
24 consecutive weeks, with the last date of publication no more than ten
25 days prior to the date of the public hearing. At least ten days before
26 the public hearing, additional notice shall be posted conspicuously in
27 at least five places within the proposed community in a manner designed
28 to attract public attention.

1 (3) After receiving testimony on the creation of the proposed
2 community council, the county legislative authority may alter the
3 boundaries of the community, but the boundaries may not be altered to
4 reduce the number of persons living within the community by more than
5 ten percent or below the minimum number of residents who must reside
6 within the community at the time of the creation of the community
7 council. If territory is added to the community, another public
8 hearing on the proposal shall be held.

9 (4) The county legislative authority shall call a special election
10 within the community to determine whether the proposed community
11 council shall be created, and to elect the initial community
12 councilmembers, at the next state general election occurring seventy-
13 five or more days after the initial public hearing on the creation of
14 the proposed community council. The community council shall be created
15 if the ballot proposition authorizing the creation of the community is
16 approved by a simple majority vote of the voters voting on the
17 proposition.

18 NEW SECTION. **Sec. 103.** ELECTION OF INITIAL COMMUNITY
19 COUNCILMEMBERS. The initial members of the community council shall be
20 elected at the same election as the ballot proposition is submitted
21 authorizing the creation of the community council. However, the
22 election of the initial community councilmembers shall be null and void
23 if the ballot proposition authorizing the creation of the community
24 council is not approved.

25 No primary election shall be held to nominate candidates for
26 initial council positions. The initial community council shall consist
27 of the candidate for each council position who receives the greatest
28 number of votes for that council position. Staggering of terms of
29 office shall be accomplished by having the majority of the winning

1 candidates who receive the greatest number of votes being elected to
2 four-year terms of office, and the remaining winning candidates being
3 elected to two-year terms of office, if the election was held in an
4 even-numbered year, or the majority of the winning candidates who
5 receive the greatest number of votes being elected to three-year terms
6 of office, and the remaining winning candidates being elected to one-
7 year terms of office, if the election was held in an odd-numbered year,
8 with the term computed from the first day of January in the year
9 following the election. Initial councilmembers shall take office
10 immediately when qualified in accordance with RCW 29.01.135.

11 However, where the county operates under a charter providing for
12 the election of members of the county legislative authority in odd-
13 numbered years, the terms of office of the initial councilmembers shall
14 be four years and two years, if the election of the initial
15 councilmembers was held on an odd-numbered year, or three years and one
16 year, if the election of the initial councilmembers was held on an
17 even-numbered year.

18 NEW SECTION. **Sec. 104.** COMMUNITY COUNCILMEMBERS. Community
19 councilmembers shall be elected to staggered four-year terms until
20 their successors are elected and qualified. Each council position
21 shall be numbered separately. Candidates shall run for specific
22 council positions. The number of council positions shall be five,
23 seven, nine, or eleven, as specified in the petition calling for the
24 creation of the community council.

25 Community councilmembers shall be nominated and elected at
26 nonpartisan elections pursuant to general election laws, except the
27 elections shall be held in even-numbered years, unless the county
28 operates under a charter and members of the county legislative

1 authority are elected in odd-numbered years, in which case, community
2 councilmembers shall be elected in odd-numbered years.

3 The provisions of this section apply to the election and terms of
4 office of the initial community councilmembers, except as provided in
5 section 103 of this act.

6 A councilmember shall lose his or her council position if his or
7 her primary residence no longer is located within the community.
8 Vacancies on a community council shall be filled by action of the
9 remaining councilmembers.

10 NEW SECTION. **Sec. 105.** RESPONSIBILITY OF COUNTY LEGISLATIVE
11 AUTHORITY. (1) Within ninety days of the election at which a community
12 council is created, the county legislative authority shall adopt an
13 ordinance establishing policies and conditions and designating portions
14 or components of the county comprehensive plan and zoning ordinances
15 that serve as an overall guide and framework for the development of
16 proposed community comprehensive plans and proposed community zoning
17 ordinances. The conditions and policies shall conform with the
18 requirements of chapter 36.70A RCW.

19 (2) Proposed community comprehensive plans and proposed community
20 zoning ordinances that are adopted by a community council shall be
21 submitted to the county legislative authority for its review of the
22 consistency of the proposed plans and proposed ordinances with the
23 ordinance adopted under subsection (1) of this section. The county
24 legislative authority shall either approve the proposed plans and
25 proposed ordinances as adopted, or refer the proposed plans and
26 proposed ordinances back to the community council with written findings
27 specifying the inconsistencies, within ninety days after they were
28 submitted. The county comprehensive plan, or subarea plan and
29 comprehensive plan, and zoning ordinances shall remain in effect in the

1 community until the proposed community comprehensive plans and proposed
2 community zoning ordinances have been approved as provided in this
3 subsection.

4 (3) Each proposed amendment to approved community comprehensive
5 plans or approved community zoning ordinances that is adopted by a
6 community council shall be submitted to the county legislative
7 authority for its review of the consistency of the amendment with the
8 ordinance adopted under subsection (1) of this section. The county
9 legislative authority shall either approve the proposed amendment as
10 adopted or refer the proposed amendment back to the community council
11 with written findings specifying the inconsistencies within ninety days
12 after the proposed amendment was submitted. The unamended community
13 comprehensive plans and unamended community zoning ordinances shall
14 remain in effect in the community until the proposed amendment has been
15 approved as provided in this subsection.

16 (4) If the county legislative authority amends the ordinance it
17 adopted under subsection (1) of this section, a community council shall
18 be given at least one hundred twenty days to amend its community
19 comprehensive plans and community zoning ordinances to be consistent
20 with this amended ordinance. However, the county legislative authority
21 may amend the community comprehensive plans and community zoning
22 ordinances to achieve consistency with this amended ordinance. Nothing
23 in this subsection shall preclude a community council from subsequently
24 obtaining approval of its proposed community comprehensive plans and
25 proposed community zoning ordinances.

26 (5) Approved community comprehensive plans and approved community
27 zoning ordinances shall be enforced by the county as if they had been
28 adopted by the county legislative authority. All quasi-judicial
29 actions and permits relating to these plans and ordinances shall be

1 made and decided by the county legislative authority or otherwise as
2 provided by the county legislative authority.

3 (6) The county shall provide administrative and staff support for
4 each community council within its boundaries.

5 NEW SECTION. **Sec. 106.** POWERS OF A COMMUNITY COUNCIL. A
6 community council shall adopt proposed community comprehensive plans
7 and proposed community zoning ordinances as provided in section 105 of
8 this act. Community councils shall not have the authority to take
9 quasi-judicial actions nor to decide permit applications. In addition,
10 a community council shall serve as a forum for the discussion of local
11 issues.

12 Community councils are subject to chapter 42.30 RCW, the open
13 public meetings act.

14 NEW SECTION. **Sec. 107.** ANNEXATION. A community council may
15 provide for the annexation of adjacent unincorporated areas to the
16 community that are not included within another community for which a
17 community council has been established. Annexations shall be initiated
18 by either resolution of the community council proposing the annexation
19 or petition of voters residing in the adjacent area, which petition:
20 (a) Requests the annexation; (b) sets forth the boundaries of the area
21 proposed to be annexed; and (c) contains signatures of voters residing
22 within the area that is proposed to be annexed equal in number to at
23 least ten percent of the voters residing in that area who voted at the
24 last state general election. Annexation petitions shall be filed with
25 the county auditor who shall determine if the petitions contain a
26 sufficient number of valid signatures, certify the sufficiency of the
27 petitions, and notify the community council of the sufficiency of the
28 petitions within fifteen days of when the petitions are submitted.

1 A ballot proposition authorizing the annexation shall be submitted
2 to the voters of the area that is proposed to be annexed at a primary
3 or general election in either an odd-numbered or even-numbered year, if
4 the community council initiated the annexation by resolution or if the
5 community council concurs in an annexation that was initiated by the
6 submission of annexation petitions containing sufficient valid
7 signatures. The annexation shall occur if the ballot proposition
8 authorizing the creation of the community is approved by a simple
9 majority vote of the voters voting on the proposition. The county's
10 comprehensive plan, and where applicable to the county's subarea plan,
11 and zoning ordinances shall continue in effect in the annexed area
12 until proposed amendments to the approved community comprehensive plans
13 and approved community zoning ordinance have been approved that apply
14 to the annexed area.

15 NEW SECTION. **Sec. 108.** DISSOLUTION. A community council shall be
16 dissolved if the population of the community is reduced to less than
17 five hundred persons, or less than two hundred persons if the community
18 only includes an entire island.

19 At the next general election at which community councilmembers
20 would be elected, occurring at least four years after the creation or
21 reestablishment of a community, a ballot proposition shall be submitted
22 to the voters of the community on whether the community shall be
23 reestablished. If reestablished, the newly elected members of the
24 community council and the retained members of the community council
25 shall constitute the members of the community council.

26 NEW SECTION. **Sec. 109.** A new section is added to chapter 39.04
27 RCW to read as follows:

1 (1) This section provides a uniform process to award contracts for
2 public works projects by those counties that are authorized to use a
3 small works roster in lieu of the requirements for formal sealed
4 bidding. The state statutes governing counties shall establish the
5 maximum dollar thresholds of the contracts that can be awarded under
6 this process, and may include other matters concerning the small works
7 roster process, for the county.

8 (2) Counties may create a single general small works roster, or may
9 create a small works roster for different categories of anticipated
10 work. The small works roster or rosters shall consist of all
11 responsible contractors who have requested to be on the list, and where
12 required by law are properly licensed or registered to perform such
13 work in this state. At least once a year, the county shall publish in
14 a newspaper of general circulation within the jurisdiction a notice of
15 the existence of the roster or rosters and solicit the names of
16 contractors for such roster or rosters.

17 The governing body of the county shall establish a procedure for
18 securing telephone or written quotations from the contractors on the
19 general small works roster, or a specific small works roster for the
20 appropriate category of work, to assure that a competitive price is
21 established and to award contracts to the lowest responsible bidder, as

13 **Sec. 153.** RCW 81.100.030 and 1990 c 43 s 14 are each amended to
14 read as follows:

15 (1) A (~~class AA~~) county with a population of one million or more,
16 or a (~~class A~~) county with a population of from two hundred ten
17 thousand to less than one million that is adjoining a (~~class AA~~)
18 county with a population of one million or more, and having within its
19 boundaries existing or planned high occupancy vehicle lanes on the
20 state highway system, may, with voter approval impose an excise tax of
21 up to two dollars per employee per month on all employers or any class
22 or classes of employers, public and private, including the state
23 located in the agency's jurisdiction, measured by the number of full-
24 time equivalent employees. The county imposing the tax authorized in
25 this section may provide for exemptions from the tax to such
26 educational, cultural, health, charitable, or religious organizations
27 as it deems appropriate.

1 Counties may contract with the state department of revenue or other
2 appropriate entities for administration and collection of the tax.
3 Such contract shall provide for deduction of an amount for
4 administration and collection expenses.

5 (2) The tax shall not apply to employment of a person when the
6 employer has paid for at least half of the cost of a transit pass
7 issued by a transit agency for that employee, valid for the period for
8 which the tax would otherwise be owed.

9 (3) A county shall adopt rules which exempt from all or a portion
10 of the tax any employer that has entered into an agreement with the
11 county that is designed to reduce the proportion of employees who drive
12 in single-occupant vehicles during peak commuting periods in proportion
13 to the degree that the agreement is designed to meet the goals for the
14 employer's location adopted under RCW 81.100.040.

15 The agreement shall include a list of specific actions that the
16 employer will undertake to be entitled to the exemption. Employers
17 having an exemption from all or part of the tax through this subsection
18 shall annually certify to the county that the employer is fulfilling
19 the terms of the agreement. The exemption continues as long as the
20 employer is in compliance with the agreement.

21 If the tax authorized in RCW 81.100.060 is also imposed by the
22 county, the total proceeds from both tax sources each year shall not
23 exceed the maximum amount which could be collected under RCW
24 81.100.060.

25 **Sec. 154.** RCW 81.100.060 and 1990 c 43 s 17 are each amended to
26 read as follows:

27 A ~~((class-AA))~~ county with a population of one million or more and
28 a ~~((class-A))~~ county with a population of from two hundred ten thousand
29 to less than one million that is adjoining a ~~((class-AA))~~ county with

1 a population of one million or more, having within their boundaries
2 existing or planned high occupancy vehicle lanes on the state highway
3 system may, with voter approval, impose a local surcharge of not more
4 than fifteen percent on the state motor vehicle excise tax paid under
5 RCW 82.44.020(1) on vehicles registered to a person residing within the
6 county. No surcharge may be imposed on vehicles licensed under RCW
7 46.16.070 except vehicles with an unladen weight of six thousand pounds
8 or less, RCW 46.16.079, 46.16.080, 46.16.085, or 46.16.090.

9 Counties imposing a tax under this section shall contract, before
10 the effective date of the resolution or ordinance imposing a surcharge,
11 administration and collection to the state department of licensing,
12 which shall deduct an amount, as provided by contract, for
13 administration and collection expenses incurred by the department. All
14 administrative provisions in chapters 82.03, 82.32, and 82.44 RCW
15 shall, insofar as they are applicable to state motor vehicle excise
16 taxes, be applicable to surcharges imposed under this section.

17 If the tax authorized in RCW 81.100.030 is also imposed by the
18 county, the total proceeds from both tax sources each year shall not
19 exceed the maximum amount which could be collected under this section.

20 **Sec. 155.** RCW 81.104.030 and 1990 c 43 s 24 are each amended to
21 read as follows:

22 (1) In any ~~((class A))~~ county with a population of from two hundred
23 ten thousand to less than one million that is not bordered by a ~~((class~~
24 ~~AA))~~ county with a population of one million or more, and in ~~((counties~~
25 ~~of the first class and smaller))~~ each county with a population of less
26 than two hundred ten thousand, city-owned transit systems, county
27 transportation authorities, metropolitan municipal corporations, and
28 public transportation benefit areas may elect to establish high
29 capacity transportation service. Such agencies shall form a regional

1 policy committee with proportional representation based upon population
2 distribution within the designated service area and a representative of
3 the department of transportation.

4 (a) City-owned transit systems, county transportation authorities,
5 metropolitan municipal corporations, and public transportation benefit
6 areas participating in joint regional policy committees shall seek
7 voter approval within their own service boundaries of a high capacity
8 transportation system plan and an implementation program including a
9 financing program.

10 (b) An interim regional authority may be formed pursuant to RCW
11 81.104.040(2) and shall seek voter approval of a high capacity
12 transportation plan and financing program within its proposed service
13 boundaries.

14 (2) City-owned transit systems, county transportation authorities,
15 metropolitan municipal corporations, and public transportation benefit
16 areas in counties adjoining state or international boundaries are
17 authorized to participate in the regional high capacity transportation
18 programs of an adjoining state or nation.

29 **Sec. 156. RCW 81.104.040 and 1990 c 43 s 25 are each amended to*
21 *read as follows:*

22 *(1) Agencies in ((~~a class AA~~)) each county with a population of one*
23 *million or more, and in ((~~class A counties~~)) each county with a*
24 *population of from two hundred ten thousand to less than one million*
25 *bordering a ((~~class AA~~)) county with a population of one million or*
26 *more that are currently authorized to provide high capacity*
27 *transportation planning and operating services, including but not*
28 *limited to city-owned transit systems, county transportation*
29 *authorities, metropolitan municipal corporations, and public*
30 *transportation benefit areas, must establish through interlocal*

1 agreements a joint regional policy committee with proportional
2 representation based upon the population distribution within each
3 agency's designated service area, as determined by the parties to the
4 agreement.

5 (a) The membership of the joint regional policy committee shall
6 consist of locally elected officials who serve on the legislative
7 authority of the existing transit systems and a representative from the
8 department of transportation. Nonvoting membership for elected
9 officials from adjoining counties may be allowed at the committee's
10 discretion.

11 (b) The joint regional policy committee shall be responsible for
12 the preparation and adoption of a regional high capacity transportation
13 system plan and an implementation program including a financing
14 package. This plan shall be in conformance with the metropolitan
15 planning organization's regional transportation plan.

16 (c) Interlocal agreements shall be executed within two years of
17 March 14, 1990. The joint regional policy committee shall present a
18 high capacity transportation plan and local funding program to the
19 boards of directors of the transit agencies within the service area for
20 adoption.

21 (d) Transit agencies shall present the adopted plan and financing
22 program for voter approval within four years of the execution of the
23 interlocal agreements. A simple majority vote is required for approval
24 of the high capacity transportation plan and financing program in any
25 service district within each county. Implementation of the program may
26 proceed in any service area approving the plan and program.

27 (2) If interlocal agreements have not been executed within two
28 years from March 14, 1990, the designated metropolitan planning
29 organization shall convene within one hundred eighty days a conference
30 to be attended by an elected representative selected by the legislative

1 authority of each city and county in a ((~~class-AA~~)) county with a
2 population of one million or more, and in ((~~class-A counties~~)) each
3 county with a population of from two hundred ten thousand to less than
4 one million bordering a ((~~class-AA~~)) county with a population of one
5 million or more.

6 (a) Public notice of the conference shall occur thirty days before
7 the date of the conference.

8 (b) The purpose of the conference is to evaluate the need for
9 developing high capacity transportation service in a ((~~class-AA~~))
10 county with a population of one million or more and in ((~~class-A~~
11 ~~counties~~)) each county with a population of from two hundred ten
12 thousand to less than one million bordering a ((~~class-AA~~)) county with
13 a population of one million or more and to determine the desirability
14 of a regional approach to developing such service.

15 (c) The conference may elect to continue high capacity
16 transportation efforts on a subregional basis through existing transit
17 planning and operating agencies.

18 (d) The conference may elect to pursue regional development by

20 authority. Conference members shall determine the structure and
21 composition of any interim regional authority.

22 (i) The interim regional authority shall propose a permanent
23 authority or authorities for voter approval. Permanent regional
24 authorities shall become the responsible agencies for planning,
25 construction, operations, and funding of high capacity transportation
26 systems within their service boundaries. Funding sources for a
27 regional high capacity transportation authority or authorities are
28 separate from currently authorized funding sources for city-owned
29 transit systems, county transportation authorities, metropolitan
30 municipal authorities, or public transportation benefit areas.

1 (ii) State and local jurisdictions, county transportation
2 authorities, metropolitan municipal corporations, or public
3 transportation benefit areas shall retain responsibility for existing
4 facilities and/or services, unless the responsibility is transferred to
5 the high capacity transportation authority or authorities by interlocal
6 agreement.

7 (3) If, within four years of the execution of the interlocal
8 agreements, a high capacity transportation plan and financing program
9 has been approved by a simple majority vote within a participating
10 jurisdiction, that jurisdiction may proceed with high capacity
11 transportation development. If within four years of the execution of
12 the interlocal agreements, a high capacity transportation plan and
13 program has not been approved by a simple majority vote within one or
14 more of the participating jurisdictions, the joint regional policy
15 committee shall convene within one hundred eighty days, a conference to
16 be attended by participating jurisdictions within which a plan and
17 financing program have not been approved. Such a conference shall be
18 for the same purpose and shall be subject to the same conditions as
19 described in subsection (2) of this section.

20 (4) High capacity transportation service planning, construction,
21 operations, and funding shall be governed through the interlocal
22 agreement process, including but not limited to provision for a cost
23 allocation and distribution formula, service corridors, station area
24 locations, right of way transfers, and feeder transportation systems.
25 The interlocal agreement shall include a mechanism for resolving
26 conflicts among parties to the agreement.

12 (5) Authorization in subsection (4) of this section shall not
13 adversely affect the funding authority of existing transit agencies.
14 Local option funds may be used to support implementation of interlocal
15 agreements with respect to the establishment of regional high capacity
16 transportation service. Local jurisdictions shall retain control over
17 moneys generated within their boundaries, although funds may be
18 commingled for planning, construction, and operation of high capacity

18 legislative body shall impose such a sales and use tax without
19 submitting such an authorizing proposition to the voters and obtaining
20 the approval of a majority of persons voting thereon: PROVIDED
21 FURTHER, That where such a proposition is submitted by a county on
22 behalf of an unincorporated transportation benefit area, it shall be
23 voted upon by the voters residing within the boundaries of such
24 unincorporated transportation benefit area and, if approved, the sales
25 and use tax shall be imposed only within such area. Notwithstanding
26 any provisions of this section to the contrary, any county in which a
27 county public transportation plan has been adopted pursuant to RCW
28 36.57.070 and the voters of such county have authorized the imposition

12 tenths of one percent of the selling price (in the case of a sales tax)
13 or value of the article used (in the case of a use tax). The rate of
14 such tax shall not exceed the rate authorized by the voters unless such
15 increase shall be similarly approved.

16 (2)(a) In the event a metropolitan municipal corporation shall

21 be empowered to levy and/or collect taxes pursuant to RCW 35.58.273,
22 35.95.040, and/or 82.14.045, but nothing herein shall prevent such city
23 or county from imposing sales and use taxes pursuant to any other
24 authorization.

25 (b) In the event a county transportation authority shall impose a
26 sales and use tax pursuant to this section, no city, county which has
27 created an unincorporated transportation benefit area, public
28 transportation benefit area, or metropolitan municipal corporation,

7 the public transportation benefit area, shall be empowered to levy or
8 collect taxes pursuant to RCW 35.58.273, 35.95.040, or 82.14.045.

10 section by any city or by any county for transportation purposes
11 pursuant to RCW 36.57.100 and 36.57.110 shall not be counted as locally
12 generated tax revenues for the purposes of apportionment and
13 distribution, in the manner prescribed by chapter 82.44 RCW, of the
14 proceeds of the motor vehicle excise tax authorized pursuant to RCW
15 35.58.273.

16 **Sec. 159.** RCW 82.44.150 and 1990 c 42 s 308 are each amended to
17 read as follows:

18 (1) The director of licensing shall, on the twenty-fifth day of
19 February, May, August, and November of each year, advise the state
20 treasurer of the total amount of motor vehicle excise taxes remitted to
21 the department during the preceding calendar quarter ending on the last
22 day of March, June, September, and December, respectively, except for
23 those payable under RCW 82.44.030, from motor vehicle owners residing
24 within each municipality which has levied a tax under RCW 35.58.273,
25 which amount of excise taxes shall be determined by the director as
26 follows:

27 The total amount of motor vehicle excise taxes remitted to the
28 department, except those payable under RCW 82.44.030, from each county
29 shall be multiplied by a fraction, the numerator of which is the

1 population of the municipality residing in such county, and the
2 denominator of which is the total population of the county in which
3 such municipality or portion thereof is located. The product of this
4 computation shall be the amount of excise taxes from motor vehicle
5 owners residing within such municipality or portion thereof. Where the
6 municipality levying a tax under RCW 35.58.273 is located in more than
7 one county, the above computation shall be made by county, and the
8 combined products shall provide the total amount of motor vehicle
9 excise taxes from motor vehicle owners residing in the municipality as
10 a whole. Population figures required for these computations shall be
11 supplied to the director by the office of financial management, who
12 shall adjust the fraction annually.

13 (2) On the first day of the months of January, April, July, and
14 October of each year, the state treasurer based upon information
15 provided by the department shall, from motor vehicle excise taxes
16 deposited in the general fund, under RCW 82.44.110(7), make the
17 following deposits:

18 (a) To the high capacity transportation account created in RCW
19 47.78.010, a sum equal to four and five-tenths percent of the special
20 excise tax levied under RCW 35.58.273 by those municipalities
21 authorized to levy a special excise tax within a (~~class AA county, or~~
22 ~~within a class A county contiguous to a class AA county, or within a~~
23 ~~second class county contiguous to a class A county that is contiguous~~
24 ~~to a class AA county)) county with a population of one million or more,
25 or within a county with a population of from two hundred ten thousand
26 to less than one million bordering a county with a population of one
27 million or more, or within a county with a population of from one
28 hundred twenty-five thousand to less than two hundred thousand that
29 both borders a county with a population of five hundred thousand or~~

1 more and has a portion of its common boundary with that county
2 intersected by an interstate highway;

3 (b) To the central Puget Sound public transportation account
4 created in RCW 82.44.180, for revenues distributed after December 31,
5 1992, within a (~~class AA county or within a class A county contiguous~~
6 ~~to a class AA~~) county with a population of one million or more and a
7 county with a population of from two hundred thousand to less than one
8 million bordering a county with a population of one million or more, a
9 sum equal to the difference between (i) the special excise tax levied
10 and collected under RCW 35.58.273 by those municipalities authorized to
11 levy and collect a special excise tax subject to the requirements of
12 subsections (3) and (4) of this section and (ii) the special excise tax
13 that the municipality would otherwise have been eligible to levy and
14 collect at a tax rate of .815 percent and been able to match with
15 locally generated tax revenues, other than the excise tax imposed under
16 RCW 35.58.273, budgeted for any public transportation purpose. Before
17 this deposit, the sum shall be reduced by an amount equal to the amount
18 distributed under (a) of this subsection for each of the municipalities
19 within the counties to which this subsection (2)(b) applies; however,
20 any transfer under this subsection (2)(b) must be greater than zero;

21 (c) To the public transportation systems account created in RCW
22 82.44.180, for revenues distributed after December 31, 1992, within
23 counties not described in (b) of this subsection, a sum equal to the
24 difference between (i) the special excise tax levied and collected
25 under RCW 35.58.273 by those municipalities authorized to levy and
26 collect a special excise tax subject to the requirements of subsections
27 (3) and (4) of this section and (ii) the special excise tax that the
28 municipality would otherwise have been eligible to levy and collect at
29 a tax rate of .815 percent and been able to match with locally
30 generated tax revenues, other than the excise tax imposed under RCW

1 35.58.273, budgeted for any public transportation purpose. Before this
2 deposit, the sum shall be reduced by an amount equal to the amount
3 distributed under (a) of this subsection for each of the municipalities
4 within the counties to which this subsection (2)(c) applies; however,
5 any transfer under this subsection (2)(c) must be greater than zero;
6 and

7 (d) To the transportation fund created in RCW 82.44.180, for
8 revenues distributed after June 30, 1991, a sum equal to the difference
9 between (i) the special excise tax levied and collected under RCW
10 35.58.273 by those municipalities authorized to levy and collect a
11 special excise tax subject to the requirements of subsections (3) and
12 (4) of this section and (ii) the special excise tax that the
13 municipality would otherwise have been eligible to levy and collect at
14 a tax rate of .815 percent notwithstanding the requirements set forth
15 in subsections (3) through (6) of this section, reduced by an amount
16 equal to distributions made under (a), (b), and (c) of this subsection.

17 (3) On the first day of the months of January, April, July, and
18 October of each year, the state treasurer, based upon information
19 provided by the department, shall remit motor vehicle excise tax
20 revenues imposed and collected under RCW 35.58.273 as follows:

21 (a) The amount required to be remitted by the state treasurer to
22 the treasurer of any municipality levying the tax shall not exceed in
23 any calendar year the amount of locally-generated tax revenues,
24 excluding the excise tax imposed under RCW 35.58.273 for the purposes
25 of this section, which shall have been budgeted by the municipality to
26 be collected in such calendar year for any public transportation
27 purposes including but not limited to operating costs, capital costs,
28 and debt service on general obligation or revenue bonds issued for
29 these purposes; and

1 (b) In no event may the amount remitted in a single calendar
2 quarter exceed the amount collected on behalf of the municipality under
3 RCW 35.58.273 during the calendar quarter next preceding the
4 immediately preceding quarter.

5 (4) At the close of each calendar year accounting period, but not
6 later than April 1, each municipality that has received motor vehicle
7 excise taxes under subsection (3) of this section shall transmit to the
8 director of licensing and the state auditor a written report showing by
9 source the previous year's budgeted tax revenues for public
10 transportation purposes as compared to actual collections. Any
11 municipality that has not submitted the report by April 1 shall cease
12 to be eligible to receive motor vehicle excise taxes under subsection
13 (3) of this section until the report is received by the director of
14 licensing. If a municipality has received more or less money under
15 subsection (3) of this section for the period covered by the report
16 than it is entitled to receive by reason of its locally-generated
17 collected tax revenues, the director of licensing shall, during the
18 next ensuing quarter that the municipality is eligible to receive motor
19 vehicle excise tax funds, increase or decrease the amount to be
20 remitted in an amount equal to the difference between the locally-
21 generated budgeted tax revenues and the locally-generated collected tax
22 revenues. In no event may the amount remitted for a calendar year
23 exceed the amount collected on behalf of the municipality under RCW
24 35.58.273 during that same calendar year. At the time of the next
25 fiscal audit of each municipality, the state auditor shall verify the

Passed the House April 28, 1991.

Passed the Senate April 28, 1991.

Approved by the Governor May 21, 1991, with the exception of
certain items which were vetoed.

Filed in Office of Secretary of State May 21, 1991.

1 Note: Governor's explanation of partial veto is as follows:

2 "I am returning herewith, without my approval as to sections 42,
3 60, and 156, Substitute House Bill No. 1201 entitled:

4 "AN ACT Relating to local government."

5 Section 60 of Substitute House Bill No. 1201 requires all counties
6 that plan and zone to authorize the siting of schools in all areas

1 within their planning jurisdictions by either outright permitted uses
2 or conditional use permits.

3 The inclusion of this section in the bill is motivated by good
4 intentions -- to remove what some school districts consider as
5 unreasonable county zoning restrictions that apply to school location
6 decisions. School districts are legally obligated to meet the
7 education needs of a growing student population. To meet those needs
8 requires districts to make every effort to acquire land and locate new
9 schools as economically as possible. That is becoming increasingly
10 difficult. Districts are faced with zoning restrictions that are
11 designed to prevent urban sprawl and preserve land for other critical
12 uses. Often these restrictions conflict with the public facility and
13 financial needs and constraints of school districts with growing
14 student populations.

15 While I agree with and recognize these very legitimate needs and
16 concerns, I am not convinced that the best solution is to exempt the
17 siting of schools from county planning and zoning ordinances within a
18 county's planning jurisdiction, as proposed in section 60.

19 First, section 60 conflicts with the spirit and intent of the 1990
20 Growth Management Act. That law gives certain urban counties the
21 primary responsibility of establishing comprehensive plans, which must
22 include regulation of land uses, the siting of public facilities, the
23 location of public utilities, and the designation of rural areas where
24 urban growth should not occur.

25 Under the Act, counties must also establish urban growth areas
26 within which urban growth will occur and outside of which growth can
27 occur only if it is not urban in nature. Such decisions and plans are
28 to be made with the participation of other affected jurisdictions,
29 including school districts.

30 To exempt decisions relating to the location of schools,
31 particularly high schools, from such considerations would be to ignore
32 the very real impacts that these large scale public facilities have on
33 overall growth patterns. It would also create a precedent for future
34 exemptions that could further undermine the primary purpose of the
35 Growth Management Act, which I not only strongly support but believe
36 should be strengthened.

37 Second, section 60 contains ambiguities that could arguably expend
38 its impact beyond what the Legislature may have intended. By simply
39 requiring that "schools" would be a permitted use, the language leaves
40 open the possibility that educational facilities, other than public
41 schools, could also be afforded the same status. I do not think
42 section 60 was designed to apply to proprietary schools, although that
43 is a possible interpretation of the language.

44 Section 42 amends RCW 35.82.285 by making technical changes
45 relating to county classes. That amendment would conflict with a
46 substantive amendment to the same RCW section contained in section 3 of
47 Engrossed House Bill No. 1740. It is therefore advisable to veto
48 section 42 so that the substantive amendment can take effect without
49 confusion.

50 Section 156 amends RCW 81.104.040 by making technical changes
51 relating to county classes. An amendment to the same RCW section

1 containing identical technical changes also appears in Substitute House
2 Bill No. 2151 (section 4). However, Substitute House Bill No. 2151
3 contains additional substantive amendatory language that cannot be
4 merged with other language in section 156. It is therefore advisable
5 to veto section 156 to avoid a double amendment and ensure that
6 conflicting language does not appear in the code.

7 For these reasons, I have vetoed sections 42, 60, and 156 of
8 Substitute House Bill No. 1201.

9 With the exception of sections 42, 60, and 156, Substitute House
10 Bill No. 1201 is approved."
