6 The board may, without examination, issue a license to persons who
7 possess the qualifications set forth in this section.

8 (1) The board may, upon written request of the dean of the school
9 of dentistry of the University of Washington, issue a license to
10 practice dentistry in this state to persons who have been licensed or
11 otherwise authorized to practice dentistry in another state or country
12 and who have been accepted for employment by the school of dentistry as

3 holder thereof to practice dentistry within the confines of the
4 university facilities for a period of one year while he or she is so
5 employed as a full-time faculty member by the school of dentistry of
6 the University of Washington. It shall terminate whenever the holder
7 ceases to be such a full-time faculty member. Such license shall
8 permit the holder thereof to practice dentistry only in connection with
9 his or her duties in employment with the school of dentistry of the

11 license.

12 (2) The board may, upon written request of the dean of the school

18 (3) The board may condition the granting of ((such)) a license
19 under this section with terms the board deems appropriate. All persons
20 licensed under this section shall be subject to the jurisdiction of the
21 dental disciplinary board to the same extent as other members of the
22 dental profession, in accordance with this chapter, and in addition the
23 licensee may be disciplined by the dental disciplinary board after a
