By Representatives Braddock, Locke, H. Sommers, Wang, Prentice, Moyer, Schmidt, Paris, Wineberry and Anderson

Read first time 01/28/92. Referred to Committee on Appropriations.

1 AN ACT Relating to the reimbursement of facilities specifically
2 authorized to meet the needs of persons living with AIDS; amending RCW
3 74.46.500; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 74.46.500 and 1980 c 177 s 50 are each amended to read
6 as follows:

7 (1) The administration and operations cost center shall include all
8 items not included in the cost centers of nursing services, food, and
9 property.

10 (2) Subject to subsection (4) of this section, the administration
11 and operations cost center reimbursement rate for each facility shall
12 be based on the computation in this subsection and shall not exceed the
13 eighty-fifth percentile of (a) the rates of all reporting facilities

1 derived from the computation below, or (b) reporting facilities grouped
2 in accordance with subsection (3) of this section:

3 AR = TAC/TPD, where

4 AR = the administration and operations cost center reimbursement rate
5 for a facility;

6 TAC = the total costs of the administration and operations cost
7 center plus the retained savings from such cost center as provided
8 in RCW 74.46.180 of a facility; and

9 TPD = the total patient days for a facility for the prior year.

10 (3) The secretary may group facilities based on factors which could
11 reasonably influence cost requirements of this cost center, other than
12 ownership or legal organization characteristics.

13 (4) In applying the eighty-fifth percentile reimbursement limit
14 authorized by subsection (2) of this section to the pilot facility
15 specially designed to meet the needs of persons living with AIDS as
16 defined by RCW 70.24.017, and specifically authorized for this purpose
17 under the 1989 amendment to the Washington state health plan, the
18 department shall exempt the cost of nursing supplies reported by the
19 pilot facility in excess of the average of nursing supplies cost for
20 medicaid nursing facilities state-wide.

21 NEW SECTION. Sec. 2. If specific funding for the purposes of
22 this act, referencing this act by bill number, is not provided by June
