Sponsor(s): House (originally sponsored by Representatives Hine, G. Fisher, Holland, Forner, Prentice, Spanel, Valle, Heavey, R. Johnson and Leonard)

Brief Description: Regulating the placement of electrical facilities.

**HB 1198-S.2E - DIGEST**

(AS OF HOUSE 2ND READING 2/10/92)

Provides that an electrical substation may be located in a county, city or town only if a special or conditional use permit has been issued.

Requires public hearings on proposed electrical substations.  
Does not apply to areas zoned as exclusively heavy industrial.
