Brief Description: Providing for a three-step transitional treatment program for African-American juveniles.

HB 1413 - DIGEST

Authorizes a contract with a community-based nonprofit organization to establish a three-step transitional treatment program for African-American juvenile offenders.

Declares that participation in the program shall be voluntary and specifies the goals of the program.

Requires a preliminary report on the model program by September 15, 1992, and a final report by January 15, 1993.

Makes an appropriation of an unspecified amount to carry out the purpose of the act.
