Brief Description: Establishing grant standards for income assistance programs as a percentage of the standard of need.

**HB 1436 - DIGEST**

Directs the department to establish a grant standard for all income assistance programs as a percentage of the standard of need established under RCW 74.04.770.

Increases the grant standard incrementally through June 30, 2009.

Encourages a program that would allow eighteen to twenty year old students to be eligible for federal aid to families with dependent children matching grants.
