

1490-S

Sponsor(s): House (originally sponsored by Representatives R. Johnson, Haugen, Roland, Kremen, Rayburn, Spanel, Rust, Braddock, Scott and Paris)

Brief Description: Changing provisions relating to flood control management.

HB 1490-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/15/91)

Authorizes a county legislative authority to adopt a comprehensive flood control management plan for any drainage basin in the county.

Specifies the elements of the plan.

Requires participation of cities, towns, and special districts within the county.

Increases money for the flood control assistance account to ten million dollars each biennium.

Grants emergency hydraulic permits for the repair of flood control improvements damaged in the November 1990 flood.
