

1564-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives D. Nelson, McLean, Anderson, Belcher, Brumsickle, R. Fisher, Bowman, Betrozoff, Fraser and Rasmussen; by request of Department of General Administration)

Brief Description: Requiring the department of general administration to develop and implement a comprehensive transportation and parking program.

**HB 1564-S.E - DIGEST**

(AS OF HOUSE 2ND READING 3/19/91)

Requires the director of general administration to develop and implement a state agency transportation and parking management program, including alternatives to the single-occupant automobile.

Establishes fees and charges for parking and transportation programs.

Creates a parking and transportation management advisory committee to study the effectiveness of the program and submit a report by July 1, 1994.

Repeals RCW 46.08.172.
