Brief Description: Redefining the practice of chiropractic.

**HB 1629-S - DIGEST**

(DIGEST AS ENACTED)

Provides for the appointment of a peer review committee to hear inquiries about services rendered to a patient by a chiropractor.

Provides for an appeal of a peer review committee decision to the board.

Requires the board to prepare a biennial report summarizing its peer review decisions.

Authorizes a chiropractor to temporarily practice in this state for a period not exceeding thirty days if he or she is licensed in another jurisdiction.

Exempts other types of practice from licensure requirements.
