

1963-S

Sponsor(s): House Committee on Agriculture & Rural Development
(originally sponsored by Representatives Rasmussen, Rayburn, Grant,
McLean, Dorn and Roland)

Brief Description: Requiring notification of the department of
agriculture of certain applications of sludge.

HB 1963-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Directs the department to conduct investigations to determine
if the health or welfare of any person is threatened.

Requires the entity which is the source of the sludge to pay
the costs of sampling and testing.

Creates a sludge monitoring account.
