

2031-S

Sponsor(s): House Committee on Energy & Utilities (originally sponsored by Representatives Grant, Neher, Bray and Ludwig; by request of Utilities & Transportation Commission)

Brief Description: Providing rate regulation for low-level waste sites.

HB 2031-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/19/91)

Gives the utilities and transportation commission jurisdiction over the low-level waste sites and operators to establish rates to be charged.

Provides for hearings on rate requests by the site operators, and for complaints that the rates being charged are not in compliance with the limits established.

Requires operators to file annual reports of their revenues.

Places a seven dollar surcharge on waste generators for each foot of waste disposed of.

Creates the radioactive waste disposal host area economic development account.
