Brief Description: Creating the school bus driver drug test act.

**HB 2176 - DIGEST**

Establishes required procedures for the testing of school bus drivers.

Requires a written policy regarding testing and testing procedures to be distributed to every employee and every prospective employee.

Designates specific procedures for random testing.

Makes intentional contamination of drug samples a misdemeanor offense.

Designates the appropriate disciplinary or rehabilitative actions for positive drug or alcohol test results.

Provides that a cause of action shall not arise if the procedures of the act are followed.
