Brief Description: Enacting the rural homeowners fire protection
act.

HB 2519-S.E - DIGEST

(AS OF HOUSE 2ND READING 2/18/92)

Requires the development of a rating system to evaluate the
levels of wildfire risk to areas located in the wildland/urban
interface or intermix.

Requires consultation with other governmental agencies and
participation by the public prior to designating areas of high or
extreme fire hazard.

Directs the building code council to consider fire protection
standards for high or extreme hazard risk level areas.

Requires the counties to adopt an ordinance by January 1,
1994, to impose fire protection standards.
