

2747-S

Sponsor(s): House Committee on Agriculture & Rural Development  
(originally sponsored by Representatives Fraser, McLean, Valle,  
Miller, Rayburn, Edmondson, Winsley, Scott, Basich and Jacobsen)

Brief Description: Regulating bottled water.

**HB 2747-S - DIGEST**

(DIGEST AS ENACTED)

Directs the department of health to adopt rules for quality standards for the source or supply of water for bottled water plants.

Requires a report of any contaminants to be forwarded by a plant operator to the department of health.

Establishes standards for labeling of bottled water.

Exempts soft drinks from coverage of the act.
