

2768-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Horn, Rust, Bowman, D. Sommers, Van Luven, Neher, Bray, Edmondson, Brough, Wynne, Brekke and Tate)

Brief Description: Allowing technical assistance officers for the department of ecology.

HB 2768-S - DIGEST

(DIGEST AS ENACTED)

Provides that the duties of a technical assistance officer are to coordinate voluntary compliance with the regulatory laws.

Declares that the technical assistance officers shall not have the authority to issue orders or assess penalties.

Establishes procedures for reporting and rectifying violations of the law.

Places limits on liability for actions of the officers and the department.
