

2796-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Bray, Horn, Rust, Ludwig, Valle, D. Sommers and Fraser)

Brief Description: Authorizing local governmental entities to administer and enforce portions of the water well construction program.

HB 2796-S - DIGEST

(DIGEST AS ENACTED)

Establishes a procedure for a local health district or county to request delegation of the authority to enforce portions of the water well construction program.

Requires demonstration of an ability to administer the delegated program.

Establishes appeal procedures.
