Brief Description: Modifying weights and measures provisions.

HB 2998 - DIGEST

Revises provisions regulating weights and measures.

Provides for biennial inspections and tests of weights and measures standards.

Establishes hearing procedures for persons aggrieved by action of the department or a city sealer.

Revises penalty provisions for violations of the requirements of the act.

Repeals provisions of chapter 19.94 RCW.

Directs the office of financial management to conduct a review of the state's weights and measures program.

Makes appropriations to carry out the purposes of the act.
