4 organized for private profit) corporation, religious association,
5 religious educational institution, or religious society with
6 respect to the employment"

EFFECT: The definition of "employer" does not include any religious educational institution, religious corporation, religious association, or religious society with respect to the employment of individuals of a particular religion to perform work for the educational institution, corporation, association, or society. The amendment makes 2SHB 1445 consistent with federal law.
