3 On page 3, line 17, after "criteria." insert "Organizations to
4 which referrals are made may include administrative entities of
5 service delivery areas as established under the federal job
6 training partnership act if the entities meet minimum standards
7 established by the department."

EFFECT: Adds a provision that the Department of Labor and Industries may make referrals to a JTPA service delivery area administrative entity to provide vocational rehabilitation services if the entity meets minimum standards set by the department.
