2 By Committee on Capital Budget

3 On page 3, line 27, after "RCW 43.19.534." insert "The rules  
4 must reference the following: Goods and services purchased from  
5 correctional industries must meet the reasonable requirements of  
6 the purchaser including timeliness of delivery, equal or better  
7 quality compared to goods or services provided by the private  
8 sector, and cost-effectiveness based on fair market value. The  
9 preference assured under the rules must be no more than ten percent  
10 of the total bid amount."

EFFECT: Requires that the administrative rules for goods and services sold by correctional industries reference the requirements of timeliness of delivery, quality, and cost-effectiveness. The amendment also limits the bid preference provided under the rules to a maximum of ten percent of the total bid amount.
