2 By Committee on Capital Budget

3 On page 4, line 24, after "information." insert "The teams
4 must be available to contract for work with state agencies."

5 On page 4, line 27, after "budget." insert "When contracting
6 for asbestos abatement and underground storage tank removal,
7 replacement, and clean up projects state agencies shall consider
8 factors including the cost and complexity of the project, the
9 qualifications of bidders, project time constraints, and the
10 availability of work crews."

EFFECT: (1) Requires that the expanded correctional industries' asbestos and underground storage tank teams be available to contract with state agencies. (3) Requires state agencies to consider project cost and complexity, bidder qualifications, time constraints, and availability of work crews when contracting for asbestos and underground storage tank projects.
