3 On page 28, after line 29, insert:

4 "(4) Whenever any agency or institution of higher education or  
5 related board contracts with individuals or business entities for  
6 the performance of services customarily and historically provided  
7 by employees in classified service, it shall select such  
8 individuals or business entities that are consistent with the  
9 participation goals of the agency, institution, or board under  
10 chapter 39.19 RCW."

EFFECT: Agencies or government entities contracting out must  
make selections that are consistent with their participation  
goals under the minority and women's business enterprises law.
