3 On page 5, after line 2, enter the following:

4 "(5) To ensure that no public moneys are used to pay for
5 public print or broadcast media advertisements for games run by the
6 commission. Public moneys may be used to pay for printed
7 advertisements for games run by the commission if the
8 advertisements are displayed or made available only on the premises
9 of agents licensed to participate in the sale of the games."

EFFECT: Gives the commission the duty to ensure public funds are not used for public print or broadcast advertising other than printed advertisements displayed or made available on the premises of licensed gaming agents."
