2 By Representative Sommers and Jacobsen

3 On page 1, line 14, after "following" insert ", and any  
4 implementation of these goals is subject to available funds"

5 On page 24, line 34, line after "aid" insert ", however,  
6 funding levels for the state's system of financial aid are subject  
7 to available funds"

8 On page 26, line 7, strike "determining" and insert  
9 "recommending"

EFFECT: Clarifies that funding goals for institutional budgets and financial aid are subject to available funds. Also clarifies legislature intent that the cost estimates developed by the Higher Education Coordinating Board for College Promise will be the basis for recommending, not determining, funding levels for the program.
