2 By Representative Wineberry and others

3 On page 5, after line 31, insert "(4) The department of  
4 social and health services shall offer services to both parents of  
5 a child qualifying for aid to families with dependent children to  
6 prepare them for economic independence and financial support of  
7 their child through appropriate education, training, job  
8 development, and related skills. The services shall be culturally  
9 and ethnically appropriate and shall be provided in a cost-  
10 effective manner."

Renumber the remaining subsection accordingly.

EFFECT: Directs the Department of Social and Health Services to provide both parents of a child qualifying for aid to families with dependent children with services and skills to become economically independent.
