4 "NEW SECTION. **Sec. 239.** The office of financial management
5 shall perform a study of what programs and services currently
6 provided by public employees could be more efficiently provided by
7 the private sector at the same or lower cost through contracting
8 out and shall present the results of the study to the legislature
9 no later than December 1, 1994.

10 The office of financial management shall consult with the
11 governor, state agency directors, organizations representing public
12 employees, organizations representing small businesses, and
13 organizations representing large businesses, and look at the
14 experiences of other states in contracting out.

15 The office of financial management shall conduct a similar
16 study every two years and present the results of the study to the
17 legislature by December first of every even-numbered year."

18 Renumber any remaining sections consecutively and correct internal
19 references.

EFFECT: Directs the office of financial management to perform
studies every two years of what programs and services
currently provided by public employees could be more
efficiently provided by the private sector at the same or
lower cost through contracting out and to present the results
of the study to the legislature by December first of every
even-numbered year, beginning in 1994.
