4 "NEW SECTION. **Sec. 239.** The office of financial management
5 shall perform a study of the cost differentials of capital projects
6 for which \$1,000,000 or more were expended within the past two
7 years where prevailing wage laws were in effect versus what the
8 costs would have been had prevailing wage laws not been in effect
9 and shall present the results of the study to the legislature no
10 later than December 1, 1994.

11 The office of financial management shall conduct a similar
12 study every two years and present the results of the study to the
13 legislature by December first of every even-numbered year."

14 Renumber any remaining sections consecutively and correct internal
15 references.

EFFECT: Directs the office of financial management to perform studies every two years of the cost differentials of capital projects for which \$1,000,000 or more were expended within the past two years where prevailing wage laws were in effect versus what the costs would have been had prevailing wage laws not been in effect and to present the results of the study to the legislature by December first of every even-numbered year beginning in 1994.
