

1 **E2SSB 5304** - H AMD TO REV COMM AMD (5304-S2.E AMH REV H2235.7)
2 **000337 ADOPTED 4-8-93**

3 By Representative Dyer

4 On page 110, line 34, after "of," strike "health care
5 liability risk management training" and insert "an insurer-designed
6 health care liability risk management training program once every
7 three years"

EFFECT: The medical malpractice insurer must design the
required practitioner liability risk management program and
the practitioner need only complete such program once every
three years.
