3 On page 26, following line 9, insert a new section as follows:

4 "NEW SECTION. Sec. 58. There is hereby appropriated to
5 Seattle community college district the sum of six hundred thousand
6 dollars for building renovation at the Seattle vocational
7 institute, and one hundred fifty thousand dollars for the purchase
8 of equipment, to establish the Judkins park community job skills
9 center. The purpose of the community job skills center is to
10 establish three programs for preparing the skilled work force
11 anticipated to be needed to meet future transportation job openings
12 in the Puget Sound region: apprenticeship preparation, vocational
13 skill training, and basic skills and applied academics. It is the
14 intent of the legislature that recruitment into the programs will
15 focus on high school-age students; under-employed and unemployed
16 adults, and those returning to the workforce; and people of color.

17 The appropriation in this section is contingent upon
18 additional transportation revenue being available for this purpose,
19 either from the federal intermodal surface transportation and
20 efficiency act, or from enhanced state revenue enacted during the
21 1993 legislative session. Prior to actual expenditure of these
22 funds, Seattle community college shall present a detailed
23 expenditure plan to the legislative transportation committee for
24 approval."

25 Renumber the remaining sections consecutively, and correct internal
26 references accordingly.
