6 following:

7 "NEW SECTION. **Sec. 1.** A new section is added to chapter 2.36 RCW  
8 to read as follows:

9 The supreme court is requested to adopt court rules to be effective  
10 by September 1, 1994, regarding methodology and standards for merging  
11 the list of registered voters in Washington state with the list of  
12 licensed drivers and identicard holders in Washington state for  
13 purposes of creating an expanded jury source list. The rules should  
14 specify the standard electronic format or formats in which the lists  
15 will be provided to requesting superior courts by the department of  
16 information services. In the interim, and until such court rules  
17 become effective, the methodology and standards provided in section 3  
18 of this act shall apply. An expanded jury source list shall be  
19 available to the courts for use by September 1, 1994.

20 NEW SECTION. **Sec. 2.** A new section is added to chapter 2.36 RCW  
21 to read as follows:

22 Not later than January 1, 1994, the secretary of state, the  
23 department of licensing, and the department of information services  
24 shall adopt administrative rules as necessary to provide for the  
25 implementation of the methodology and standards established by this act  
26 or by supreme court rule.

27 NEW SECTION. **Sec. 3.** A new section is added to chapter 2.36 RCW  
28 to read as follows:

29 Unless otherwise specified by rule of the supreme court, the jury  
30 source list and master jury list for each county shall be created as  
31 provided by this section.

32 (1) The superior court of each county, after consultation with the  
33 county clerk and county auditor of that jurisdiction, shall annually  
34 notify the department of information services not later than March 1 of

1 each year of its election to use either a jury source list that is  
2 merged by the county or a jury source list that is merged by the  
3 department of information services. The department of information  
4 services shall annually furnish at no charge to the superior court of  
5 each county a separate list of the registered voters residing in that  
6 county as supplied annually by the secretary of state and a separate  
7 list of driver's license and identicard holders residing in that county  
8 as supplied annually by the department of licensing, or a merged list  
9 of all such persons residing in that county, in accordance with the  
10 annual notification required by this subsection. The lists provided by  
11 the department of information services shall be in an electronic format  
12 mutually agreed upon by the superior court requesting it and the  
13 department of information services. The annual merger of the list of  
14 registered voters residing in each county with the list of licensed  
15 drivers and identicard holders residing in each county to form a jury  
16 source list for each county shall be in accordance with the standards  
17 and methodology established in this act or by superseding court rule  
18 whether the merger is accomplished by the department of information  
19 services or by a county.

20 (2) Persons on the lists of registered voters and driver's license  
21 and identicard holders shall be identified by a minimum of last name,  
22 first name, middle initial where available, date of birth, gender, and  
23 county of residence. Identifying information shall be used when  
24 merging the lists to ensure to the extent reasonably possible that  
25 persons are only listed once on the merged list. Conflicts in  
26 addresses are to be resolved by using the most recent record by date of  
27 last vote in a general election, date of driver's license or identicard  
28 address change or date of voter registration.

29 (3) The department of information services shall provide counties  
30 that elect to receive a jury source list merged by department of  
31 information services with a list of names which are possible duplicates  
32 that cannot be resolved based on the identifying information required  
33 under subsection (2) of this section. If a possible duplication cannot  
34 subsequently be resolved satisfactorily through reasonable efforts by  
35 the county receiving the merged list, the possible duplicate name shall  
36 be stricken from the jury source list until the next annual jury source  
37 list is prepared.
