3 By Committee on Natural Resources

4 ADOPTED 3/3/94

5 Strike everything after the enacting clause and insert the  
6 following:

7 "NEW SECTION. **Sec. 1.** The legislature finds that the commercial  
8 crab fishery in coastal and offshore waters is overcapitalized. The  
9 legislature further finds that this overcapitalization has lead to the  
10 economic destabilization of the coastal crab industry, and can cause  
11 excessive harvesting pressures on the coastal crab resources of  
12 Washington state. In order to provide for the economic well-being of  
13 the Washington crab industry and to protect the livelihood of  
14 Washington crab fishers who have historically and continuously  
15 participated in the coastal crab fishery, the legislature finds that it  
16 is in the best interests of the economic well-being of the coastal crab  
17 industry to reduce the number of fishers taking crab in coastal waters,  
18 to reduce the number of vessels landing crab taken in offshore waters,  
19 to limit the number of future licenses, and to limit fleet capacity by  
20 limiting vessel size.

21 NEW SECTION. **Sec. 2.** (1) Effective January 1, 1995, it is  
22 unlawful to fish for coastal crab in Washington state waters without a  
23 Dungeness crab--coastal or a Dungeness crab--coastal class B fishery  
24 license.

25 (2) A Dungeness crab--coastal fishery license is transferable.  
26 Such a license shall only be issued to a person who proved active  
27 historical participation in the coastal crab fishery by having  
28 designated, after December 31, 1993, a vessel on the qualifying license  
29 that meets the following criteria:

30 (a) Made a minimum of eight coastal crab landings totaling a  
31 minimum of five thousand pounds per season in at least two of the four  
32 qualifying seasons identified in subsection (4) of this section, as  
33 documented by valid Washington state shellfish receiving tickets; and  
34 showed historical and continuous participation in the coastal crab  
35 fishery by having held one of the following licenses or their

1 equivalents each calendar year beginning 1990 through 1993, and was  
2 designated on the qualifying license of the person who held one of the  
3 following licenses in 1994:

4 (i) Crab pot«Non-Puget Sound license, issued under RCW  
5 75.28.130(1)(b);

6 (ii) Nonsalmon delivery license, issued under RCW 75.28.125;

7 (iii) Salmon troll license, issued under RCW 75.28.110;

8 (iv) Salmon delivery license, issued under RCW 75.28.113;

9 (v) Food fish trawl license, issued under RCW 75.28.120; or

10 (vi) Shrimp trawl license, issued under RCW 75.28.130; or

11 (b) Made a minimum of four landings of coastal crab totaling two  
12 thousand pounds during the period from December 1, 1991, to March 20,  
13 1992, and made a minimum of eight crab landings totaling a minimum of  
14 five thousand pounds of coastal crab during each of the following  
15 periods: December 1, 1991, to September 15, 1992; December 1, 1992, to  
16 September 15, 1993; and December 1, 1993, to September 15, 1994. For  
17 landings made after December 31, 1993, the vessel shall have been  
18 designated on the qualifying license of the person making the landings.

19 (3) A Dungeness crab--coastal class B fishery license is not  
20 transferable. Such a license shall be issued to persons who do not  
21 meet the qualification criteria for a Dungeness crab--coastal fishery  
22 license, if the person has designated on a qualifying license after  
23 December 31, 1993, a vessel that made a minimum of four landings  
24 totaling a minimum of two thousand pounds of coastal crab, documented  
25 by valid Washington state shellfish receiving tickets, during at least  
26 one of the four qualifying seasons, and if the person has participated  
27 continuously in the coastal crab fishery by having held or by having  
28 owned a vessel that held one or more of the licenses listed in  
29 subsection (2) of this section in each calendar year subsequent to the  
30 qualifying season in which qualifying landings were made through 1994.  
31 Dungeness crab--coastal class B fishery licenses cease to exist after  
32 December 31, 2000, and the continuing license provisions of RCW  
33 34.05.422(3) are not applicable.

34 (4) The four qualifying seasons for purposes of this section are:

35 (a) December 1, 1988, through September 15, 1989;

36 (b) December 1, 1989, through September 15, 1990;

37 (c) December 1, 1990, through September 15, 1991; and

38 (d) December 1, 1991, through September 15, 1992.

1 (5) For purposes of this section and section 6 of this act,  
2 "coastal crab" means Dungeness crab (cancer magister) taken in all  
3 Washington territorial waters south of the United States-Canada  
4 boundary and west of the Bonilla-Tatoosh line (a line from the western  
5 end of Cape Flattery to Tatoosh Island lighthouse, then to the buoy  
6 adjacent to Duntz Rock, then in a straight line to Bonilla Point of  
7 Vancouver island), Grays Harbor, Willapa Bay, and the Columbia river.

8 NEW SECTION. **Sec. 3.** The legislature finds that some persons may  
9 have seriously planned to enter the commercial crab fishery, but were  
10 unable to fulfill the landing requirements because the vessel under  
11 construction was not completed in sufficient time to make the  
12 qualifying landings.

13 (1) A person who cannot demonstrate participation in the coastal  
14 crab fishery under section 2 of this act shall be awarded a Dungeness  
15 crab--coastal fishery license if:

16 (a) The person, after December 31, 1993, has designated a vessel on  
17 the qualifying license that was in the process of being constructed for  
18 the purpose of being employed in the Washington coastal crab fishery on  
19 September 15, 1992. For purposes of this section, "construction" means  
20 having the keel laid, and "for the purpose of being employed in the  
21 Washington coastal crab fishery" means the vessel is designed to  
22 retrieve crab pots mechanically and has a live well; and

23 (b) The vessel landed both five thousand pounds of coastal crab  
24 into a Washington port before September 15, 1993, and five thousand  
25 pounds of coastal crab in eight landings between December 1, 1993, and  
26 September 15, 1994; or

27 (c) The vessel under construction is a replacement vessel for a  
28 lost vessel that, had it not been lost, would have met eligibility  
29 requirements for the applicant for a Dungeness crab--coastal fishery  
30 license.

31 (2) All applications for Dungeness crab--coastal fishery licenses  
32 under this section shall be subject to review by the advisory review  
33 board in accordance with RCW 75.30.060. The board shall recommend to  
34 the director whether such applications should be accepted.

35 NEW SECTION. **Sec. 4.** For the purpose of purchasing Dungeness  
36 crab--coastal class B fishery licenses, a temporary surcharge of two  
37 hundred dollars shall be collected with each Dungeness crab--coastal

1 fishery license, and each Dungeness crab--coastal class B fishery  
2 license issued under RCW 75.28.130. The surcharge shall be in effect  
3 from December 1, 1994, until sufficient funds are collected to buy back  
4 the number of crab licenses to reduce the number to two hundred  
5 licenses, or until September 15, 1999. The moneys shall be deposited  
6 in the coastal crab account which is hereby created in the custody of  
7 the state treasurer. Only the director or the director's designee may  
8 authorize expenditures from the account. The account is subject to  
9 allotment procedures under chapter 43.88 RCW but no appropriation is  
10 required for expenditures. Funds may be used only for license purchase  
11 as defined in section 5 of this act. The fiscal committees of the  
12 legislature shall review the status and expenditures from the coastal  
13 crab account yearly to determine if repeal of the fee is appropriate  
14 given the purpose of license reduction under the license moratorium.  
15 Funds remaining in the coastal crab account after November 30, 1999,  
16 shall revert to the general fund.

17 NEW SECTION. **Sec. 5.** Expenditures from the coastal crab account  
18 may be made by the department of fish and wildlife to purchase  
19 Dungeness crab--coastal class B fishery licenses during the following  
20 time periods:

21 (1) June 1, 1995, to November 30, 1995, at a price not to exceed  
22 five thousand dollars per license;

23 (2) December 1, 1995, to November 30, 1996, at a price not to  
24 exceed three thousand five hundred dollars per license;

25 (3) December 1, 1996, to November 30, 1997, at a price not to  
26 exceed two thousand five hundred dollars per license;

27 (4) December 1, 1997, to November 30, 1998, at a price not to  
28 exceed one thousand five hundred dollars per license; or

29 (5) December 1, 1998, to November 30, 1999, at a price not to  
30 exceed five hundred dollars per license.

31 The department shall establish rules governing the purchase of  
32 class B licenses. Dungeness crab--coastal class B fishery licensees  
33 may apply to the department for the purposes of selling their license  
34 on a willing-seller basis. Licenses will be purchased in the order  
35 applications are received, or as funds allow.

36 NEW SECTION. **Sec. 6.** (1) An Oregon resident who can show  
37 historical and continuous participation in the Washington state coastal

1 crab fishery by having held a nonresident Non-Puget Sound crab pot  
2 license issued under RCW 75.28.130 each year from 1990 through 1994,  
3 and who has delivered a minimum of eight landings totaling five  
4 thousand pounds of crab into Oregon during any two of the four  
5 qualifying seasons as provided in section 2(4) of this act as evidenced  
6 by valid Oregon fish receiving tickets, shall be issued a nonresident  
7 Dungeness crab--coastal fishery license valid for fishing in Washington  
8 state waters north from the Oregon-Washington boundary to United States  
9 latitude forty-six degrees thirty minutes north. Such license shall be  
10 issued upon application and submission of proof of delivery.

11 (2) This section shall become effective contingent upon reciprocal  
12 statutory authority in the state of Oregon providing for equal access  
13 for Washington state coastal crab fishers to Oregon territorial coastal  
14 waters north of United States latitude forty-five degrees fifty-eight  
15 minutes north, and Oregon waters of the Columbia river.

16 NEW SECTION. **Sec. 7.** (1) The following restrictions apply to  
17 vessel designations and substitutions on Dungeness crab--coastal  
18 fishery licenses and Dungeness crab--coastal class B fishery licenses:

19 (a) The holder of the license may not designate on the license a  
20 vessel the hull length of which exceeds ninety-nine feet, nor may the  
21 holder change vessel designation if the hull length of the vessel  
22 proposed to be designated exceeds the hull length of the currently  
23 designated vessel by more than ten feet;

24 (b) If the hull length of the vessel proposed to be designated is  
25 comparable to or exceeds by up to one foot the hull length of the  
26 currently designated vessel, the department may change the vessel  
27 designation no more than once in any two consecutive Washington state  
28 coastal crab seasons unless the currently designated vessel is lost or  
29 in disrepair such that it does not safely operate, in which case the  
30 department may allow a change in vessel designation;

31 (c) If the hull length of the vessel proposed to be designated  
32 exceeds by between one and ten feet the hull length of the currently  
33 designated vessel, the department may change the vessel designation no  
34 more than once in any five consecutive Washington state coastal crab  
35 seasons, unless a request is made by the license holder during a  
36 Washington state coastal crab season for an emergency change in vessel  
37 designation. If such an emergency request is made, the director may  
38 allow a temporary change in designation to another vessel, if the hull

1 length of the other vessel does not exceed by more than ten feet the  
2 hull length of the currently designated vessel.

3 (2) For the purposes of this section, "hull length" means the  
4 length of a vessel's hull as shown by United States coast guard  
5 documentation or marine survey, or for vessels that do not require  
6 United States coast guard documentation, by manufacturer's  
7 specifications or marine survey.

8 **Sec. 8.** RCW 75.28.044 and 1993 sp.s. c 17 s 45 are each amended to  
9 read as follows:

10 This section applies to all commercial fishery licenses, delivery  
11 licenses, and charter licenses, except for emergency salmon delivery  
12 licenses.

13 (1) The holder of a license subject to this section may substitute  
14 the vessel designated on the license or designate a vessel if none has  
15 previously been designated if the license holder:

16 (a) Surrenders the previously issued license to the department;

17 (b) Submits to the department an application that identifies the  
18 currently designated vessel, the vessel proposed to be designated, and  
19 any other information required by the department; and

20 (c) Pays to the department a fee of thirty-five dollars.

21 (2) Unless the license holder owns all vessels identified on the  
22 application described in subsection (1)(b) of this section or unless  
23 the vessel is designated on a Dungeness crab--coastal or a Dungeness  
24 crab--coastal class B fishery license, the following restrictions apply  
25 to changes in vessel designation:

26 (a) The department shall change the vessel designation on the  
27 license no more than four times per calendar year.

28 (b) The department shall change the vessel designation on the  
29 license no more than once in any seven-day period.

30 **Sec. 9.** RCW 75.28.046 and 1993 c 340 s 9 are each amended to read  
31 as follows:

32 This section applies to all commercial fishery licenses, delivery  
33 licenses, and charter licenses, except for whiting--Puget Sound fishery  
34 licenses and emergency salmon delivery licenses.

35 (1) The license holder may engage in the activity authorized by a  
36 license subject to this section. With the exception of Dungeness  
37 crab--coastal fishery class B licensees licensed under section 2(3) of

1 this act, the holder of a license subject to this section may also  
 2 designate up to two alternate operators for the license. Dungeness  
 3 crab--coastal fishery class B licensees may not designate alternate  
 4 operators. A person designated as an alternate operator must possess  
 5 an alternate operator license issued under section 23 of this act and  
 6 RCW 75.28.048.

7 (2) The fee to change the alternate operator designation is twenty-  
 8 two dollars.

9 NEW SECTION. Sec. 10. Except as provided under section 14 of this  
 10 act, the director shall issue no new Dungeness crab--coastal fishery  
 11 licenses after December 31, 1995. A person may renew an existing  
 12 license only if the person held the license sought to be renewed during  
 13 the previous year or acquired the license by transfer from someone who  
 14 held it during the previous year, and if the person has not  
 15 subsequently transferred the license to another person. Where the  
 16 person failed to obtain the license during the previous year because of  
 17 a license suspension, the person may qualify for a license by  
 18 establishing that the person held such a license during the last year  
 19 in which the license was not suspended.

20 **Sec. 11.** RCW 75.28.130 and 1993 sp.s. c 17 s 40 are each amended  
 21 to read as follows:

22 (1) This section establishes commercial fishery licenses required  
 23 for shellfish fisheries and the annual fees for those licenses. The  
 24 director may issue a limited-entry commercial fishery license only to  
 25 a person who meets the qualifications established in applicable  
 26 governing sections of this title.

35 (2) The director may by rule determine the species of shellfish  
36 that may be taken with the commercial fishery licenses established in  
37 this section, the gear that may be used with the licenses, and the  
38 areas or waters in which the licenses may be used. Where a fishery  
39 license has been established for a particular species, gear,  
40 geographical area, or combination thereof, a more general fishery  
41 license may not be used to take shellfish in that fishery.

42 NEW SECTION. **Sec. 12.** A surcharge of fifty dollars shall be  
43 collected with each Dungeness crab--coastal fishery license issued

1 under RCW 75.28.130 until June 30, 2000, and with each Dungeness crab--  
2 coastal class B fishery license issued under RCW 75.28.130 until  
3 December 31, 1997. Moneys collected under this section shall be placed  
4 in the Dungeness crab appeals account hereby created in the state  
5 treasury. The account is subject to allotment procedures under chapter  
6 43.88 RCW, but no appropriation is required for expenditures.  
7 Expenditures from the account shall only be used for processing appeals  
8 related to the issuance of Dungeness crab--coastal fishery licenses.

9 NEW SECTION. **Sec. 13.** (1) It is unlawful for Dungeness crab--  
10 coastal fishery licensees to take Dungeness crab in the waters of the  
11 exclusive economic zone westward of the states of Oregon or California  
12 and land crab taken in those waters into Washington state unless the  
13 licensee also holds the licenses, permits, or endorsements, required by  
14 Oregon or California to land crab into Oregon or California,  
15 respectively.

16 (2) This section becomes effective only upon reciprocal legislation  
17 being enacted by both the states of Oregon and California. For  
18 purposes of this section, "exclusive economic zone" means that zone  
19 defined in the federal fishery conservation and management act (16  
20 U.S.C. Sec. 1802) as of the effective date of this section or as of a  
21 subsequent date adopted by rule of the director.

22 NEW SECTION. **Sec. 14.** If fewer than one hundred seventy-five  
23 persons are eligible for Dungeness crab--coastal fishery licenses, the  
24 director may accept applications for new licenses. Additional licenses  
25 issued shall be sufficient to maintain a maximum of one hundred  
26 seventy-five licenses in the Washington coastal crab fishery. If  
27 additional licenses are to be issued, the director shall adopt rules  
28 governing the notification, application, selection, and issuance  
29 procedures for new Dungeness crab--coastal fishery licenses, based on  
30 recommendations of the review board established under RCW 75.30.050.

31 **Sec. 15.** RCW 75.30.050 and 1993 c 376 s 9 and 1993 c 340 s 27 are  
32 each reenacted and amended to read as follows:

33 (1) The director shall appoint three-member advisory review boards  
34 to hear cases as provided in RCW 75.30.060. Members shall be from:

35 (a) The salmon charter boat fishing industry in cases involving  
36 salmon charter licenses or angler permits;

1 (b) The commercial salmon fishing industry in cases involving  
2 commercial salmon fishery licenses;

3 (c) The commercial crab fishing industry in cases involving  
4 dungeness crab--Puget Sound fishery licenses;

5 (d) The commercial herring fishery in cases involving herring  
6 fishery licenses;

7 (e) The commercial Puget Sound whiting fishery in cases involving  
8 whiting--Puget Sound fishery licenses;

9 (f) The commercial sea urchin fishery in cases involving sea urchin  
10 dive fishery licenses;

11 (g) The commercial sea cucumber fishery in cases involving sea  
12 cucumber dive fishery licenses; ((and))

13 (h) The commercial ocean pink shrimp industry (*Pandalus jordani*) in  
14 cases involving ocean pink shrimp delivery licenses; and

15 (i) The commercial coastal crab industry in cases involving  
16 Dungeness crab--coastal and Dungeness crab--coastal class B fishery  
17 licenses.

18 (2) Members shall serve at the discretion of the director and shall  
19 be reimbursed for travel expenses as provided in RCW 43.03.050,  
20 43.03.060, and 43.03.065.

21 NEW SECTION. **Sec. 16.** The director may reduce the landing  
22 requirements established under section 2 of this act upon the  
23 recommendation of an advisory review board established under RCW  
24 75.30.050, but the director may not entirely waive the landing  
25 requirement. The advisory review board may recommend a reduction of  
26 the landing requirement in individual cases if in the board's judgment,  
27 extenuating circumstances prevented achievement of the landing  
28 requirement. The director shall adopt rules governing the operation of  
29 the advisory review board and defining "extenuating circumstances." In  
30 defining extenuating circumstances, special consideration shall be  
31 given to individuals who can provide evidence of lack of access to  
32 capital based on past discrimination due to race, creed, color, sex,  
33 national origin, or disability.

34 NEW SECTION. **Sec. 17.** The department, with input from Dungeness  
35 crab--coastal fishery licensees and processors, shall prepare a  
36 resource plan to achieve even-flow harvesting and long-term stability  
37 of the coastal Dungeness crab resource. The plan may include pot

1 limits, further reduction in the number of vessels, individual quotas,  
2 trip limits, area quotas, or other measures as determined by the  
3 department. The plan shall be submitted to the appropriate standing  
4 committees of the legislature by December 1, 1995.

5 **Sec. 18.** RCW 75.28.125 and 1993 sp.s. c 17 s 39 and 1993 c 376 s  
6 3 are each reenacted and amended to read as follows:

7 (1) Except as provided in subsection (2) of this section, it is  
8 unlawful to deliver with a commercial fishing vessel food fish or  
9 shellfish taken in offshore waters to a port in the state without a  
10 (~~nonsalmon~~) nonlimited entry delivery license. As used in this  
11 section, "food fish" does not include salmon. As used in this section,  
12 "shellfish" does not include ocean pink shrimp or coastal crab. The  
13 annual license fee for a (~~nonsalmon~~) nonlimited entry delivery  
14 license is one hundred ten dollars for residents and two hundred  
15 dollars for nonresidents.

16 (2) Holders of salmon troll fishery licenses issued under RCW  
17 75.28.110, salmon delivery licenses issued under RCW 75.28.113, crab  
18 pot fishery licenses issued under RCW 75.28.130, food fish trawl--Non-  
19 Puget Sound fishery licenses issued under RCW 75.28.120, Dungeness  
20 crab--coastal fishery licenses, ocean pink shrimp delivery licenses,  
21 and shrimp trawl--Non-Puget Sound fishery licenses issued under RCW  
22 75.28.130 may deliver food fish or shellfish taken in offshore waters  
23 without a (~~nonsalmon~~) nonlimited entry delivery license.

24 (3) A (~~nonsalmon~~) nonlimited entry delivery license authorizes no  
25 taking of food fish or shellfish from state waters.

26 (4) Coastal crab, as defined in section 2 of this act, taken in  
27 offshore waters with a commercial fishing vessel may be delivered to a  
28 port in this state without a nonlimited entry delivery license.
