6 following:

7 "NEW SECTION. **Sec. 1.** (1) The subcommittee on the aerospace
8 industry is established as a subcommittee of the executive-legislative
9 committee on economic development created in chapter . . . (Senate Bill
10 No. 5300), Laws of 1993. The subcommittee is to examine the overall
11 impacts of the aerospace industry work slowdown and make
12 recommendations to the full committee, the governor, and the
13 legislature regarding:

14 (a) The need for short-term and long-term assistance for workers
15 made unemployed by the slowdown, including extending unemployment
16 benefits, job retraining, new employment assistance, family assistance,
17 and other types of assistance; and

18 (b) A long-term approach to diversification of the region most
19 affected by aerospace business fluctuations.

20 In conducting the examination, the subcommittee shall consider the
21 impacts on: The state and substate regional economies; displaced
22 workers and their families; and businesses not directly related to the
23 aerospace industry.

24 (2) The subcommittee shall consist of at least three members of the
25 full committee and may include advisory members. The advisory members
26 may include representatives from: (a) The aerospace industry; (b)
27 chambers of commerce and economic development councils; (c) unions
28 representing aerospace workers; (d) county councils; (e) city
29 governments; and (f) the work force training and education coordinating
30 board.

31 (3) The subcommittee shall meet as soon as is practicable and make
32 a preliminary report to the full committee, the governor, and the
33 appropriate standing committees of the legislature by September 15,
34 1993, and a final report before December 1, 1993.

35 (4) This section shall expire December 31, 1993.
