3 By Committee on Transportation

4 ADOPTED AS AMENDED BY 000753 - 4/14/93

5 Strike everything after the enacting clause and insert the  
6 following:

7 "**Sec. 1.** RCW 47.60.120 and 1984 c 7 s 307 are each amended to read  
8 as follows:

9 (1) If the department acquires or constructs, maintains, and  
10 operates any ferry crossings upon or toll bridges over Puget Sound or  
11 any of its tributary or connecting waters, there shall not be  
12 constructed, operated, or maintained any other ferry crossing upon or  
13 bridge over any such waters within ten miles of any such crossing or  
14 bridge operated or maintained by the department excepting such bridges  
15 or ferry crossings in existence, and being operated and maintained  
16 under a lawfully issued franchise at the time of the location of the  
17 ferry crossing or construction of the toll bridge by the department.

18 (2) The Washington utilities and transportation commission may,  
19 upon written petition of a commercial ferry operator certificated or  
20 applying for certification under chapter 81.84 RCW, and upon notice and  
21 hearing, grant a waiver from the ten-mile restriction. The waiver must  
22 not be detrimental to the public interest. In making a decision to  
23 wave the ten-mile restriction, the commission shall consider, but is  
24 not limited to, the impact of the waiver on transportation congestion  
25 mitigation, air quality improvement, and the overall impact on the  
26 Washington state ferry system. The commission shall act upon a request  
27 for a waiver within ninety days after the conclusion of the hearing.  
28 A waiver is effective for a period of five years from the date of  
29 issuance. At the end of five years the waiver becomes permanent unless  
30 appealed within thirty days by the commission on its own motion, the  
31 department, or an interested party.

32 (3) The department shall not maintain and operate any ferry  
33 crossing or toll bridge over Puget Sound or any of its tributary or  
34 connecting waters that would infringe upon any franchise lawfully  
35 issued by the state and in existence (~~and being exercised~~) at the  
36 time of the location of the ferry crossing or toll bridge by the

1 department, without first acquiring the rights granted to such  
2 franchise holder under the franchise.

3 ~~((While any revenue bonds issued by the department under the  
4 provisions of this chapter are outstanding no additional bonds may be  
5 issued for the purposes of acquiring, constructing, operating, or  
6 maintaining any ferries or toll bridges within the aforesaid ten mile  
7 distance by the department unless the revenues of any such additional  
8 ferries or toll bridges are pledged to the bonds then outstanding to  
9 the extent provided by the resolution authorizing the issue of the  
10 outstanding bonds. The provisions of this section are binding upon the  
11 state, and all of its departments, agencies, and instrumentalities, as  
12 well as any and all private, political, municipal, and public  
13 corporations and subdivisions, including cities, towns, counties, and  
14 other political subdivisions, and the prohibitions of this section  
15 shall restrict and limit the powers of the legislature of the state in  
16 respect to the matters herein mentioned so long as any of such bonds  
17 are outstanding and unpaid and shall be deemed to constitute a contract  
18 to that effect for the benefit of the holders of all such bonds.))~~

19 NEW SECTION. **Sec. 2.** A new section is added to chapter 47.60 RCW  
20 to read as follows:

21 The ten-mile distance in RCW 47.60.120 means ten statute miles  
22 measured by airline distance. The ten-mile restriction shall be  
23 applied by comparing the two end points (termini) of a state ferry  
24 crossing to those of a private ferry crossing.

25 **Sec. 3.** RCW 81.84.010 and 1961 c 14 s 81.84.010 are each amended  
26 to read as follows:

27 (1) No ((steamboat company shall)) commercial ferry may hereafter  
28 operate any vessel or ferry for the public use for hire between fixed  
29 termini or over a regular route upon the waters within this state,  
30 including the rivers and lakes and Puget Sound, without first applying  
31 for and obtaining from the commission a certificate declaring that  
32 public convenience and necessity require such operation. Service  
33 authorized by certificates issued before or after the effective date of  
34 this act to a commercial ferry operator shall be exercised by the  
35 operator in a manner consistent with the conditions established in the  
36 certificate or tariffs: PROVIDED, That no certificate shall be  
37 required for a vessel primarily engaged in transporting freight other

1 than vehicles, whose gross earnings from the transportation of  
2 passengers and/or vehicles, are not more than ten percent of the total  
3 gross annual earnings of such vessel: PROVIDED, That nothing herein  
4 shall be construed to affect the right of any county public  
5 transportation benefit area or other public agency within this state  
6 to construct, condemn, purchase, operate, or maintain, itself or by  
7 contract, agreement, or lease, with any person, firm, or corporation,  
8 ferries or boats across or wharfs at or upon the waters within this  
9 state, including rivers and lakes and Puget Sound, provided such  
10 operation is not over the same route or between the same districts,  
11 (~~being served~~) held by a certificate carrier without first acquiring  
12 the rights granted to such certificate holder under the certificate,  
13 nor shall this chapter be construed to affect, amend, or invalidate any  
14 contract entered into prior to January 15, 1927, for the operation of  
15 ferries or boats upon the waters within this state, which was entered  
16 into in good faith by any county with any person, firm, or corporation,  
17 except that in case of the operation or maintenance by any county,  
18 city, town, port district, or other political subdivision by contract,  
19 agreement, or lease with any person, firm, or corporation, of ferries  
20 or boats across or wharfs at or upon the waters within this state,  
21 including rivers and lakes and Puget Sound, the commission shall have  
22 power and authority to regulate rates and services of such operation or  
23 maintenance of ferries, boats, or wharfs, to make, fix, alter, or amend  
24 said rates, and to regulate service and safety of operations thereof,  
25 in the manner and to the same extent as it is empowered to regulate a  
26 (~~steamboat company~~) commercial ferry, notwithstanding the provisions  
27 of any act or parts of acts inconsistent herewith.

28 (2) The holder of a certificate of public convenience and necessity  
29 granted under this chapter must initiate service within five years of  
30 obtaining the certificate. The certificate holder shall report to the  
31 commission every six months after the certificate is granted on the  
32 progress of the certificated route. The reports shall include, but not  
33 be limited to, the progress of environmental impact, parking, local  
34 government land use, docking, and financing considerations. However,  
35 if service has not been initiated within five years of obtaining the  
36 certificate, the commission may extend the certificate on a twelve-  
37 month basis for up to three years if the six-month progress reports  
38 indicate there is significant advancement toward initiating service.

1       (3) The commission shall review certificates in existence as of the  
2 effective date of this act, where service is not being provided on all  
3 or any portion of the route or routes certificated. Based on progress  
4 reports required under subsection (2) of this section, the commission  
5 may grant an extension beyond that provided in subsection (2) of this  
6 section. Such additional extension may not exceed a total of two  
7 years.

8       **Sec. 4.** RCW 81.84.020 and 1961 c 14 s 81.84.020 are each amended  
9 to read as follows:

10       (1) Upon the filing of an application the commission shall give  
11 reasonable notice to the department, affected cities and counties, and  
12 any common carrier which might be adversely affected, of the time and  
13 place for hearing on such application. The commission shall have power  
14 after hearing, to issue the certificate as prayed for, or to refuse to  
15 issue it, or to issue it for the partial exercise only of the privilege  
16 sought, and may attach to the exercise of the rights granted by said  
17 certificate such terms and conditions as in its judgment the public  
18 convenience and necessity may require; but the commission shall not  
19 have power to grant a certificate to operate between districts and/or  
20 into any territory prohibited by RCW 47.60.120 or already served by an  
21 existing certificate holder, unless such existing certificate holder  
22 ((shall fail and refuse)) has failed or refused to furnish reasonable  
23 and adequate service or has failed to provide the service described in  
24 its certificate or tariffs after the time period allowed to initiate  
25 service has elapsed: PROVIDED, A certificate shall be granted when it  
26 shall appear to the satisfaction of the commission that ((such  
27 steamboat company)) the commercial ferry was actually operating in good  
28 faith over the route for which such certificate shall be sought, on  
29 January 15, 1927: PROVIDED, FURTHER, That in case two or more  
30 ((steamboat companies)) commercial ferries shall upon said date have  
31 been operating vessels upon the same route, or between the same  
32 districts the commission shall determine after public hearing whether  
33 one or more certificates shall issue, and in determining to whom a  
34 certificate or certificates shall be issued, the commission shall  
35 consider all material facts and circumstances including the prior  
36 operation, schedules, and services rendered by either of ((said  
37 companies)) the ferries, and in case more than one certificate shall  
38 issue, the commission shall fix and determine the schedules and

1 services of the ((companies to whom such)) ferries to which the  
2 certificates are issued to the end that duplication of service be  
3 eliminated and public convenience be furthered.

4 (2) Before issuing a certificate, the commission shall determine  
5 that the applicant has the financial resources to operate the proposed  
6 service for at least twelve months, based upon the submission by the  
7 applicant of a pro forma financial statement of operations. Issuance  
8 of a certificate shall be determined upon, but not limited to, the  
9 following factors: Ridership and revenue forecasts; the cost of  
10 service for the proposed operation; an estimate of the cost of the  
11 assets to be used in providing the service; a statement of the total  
12 assets on hand of the applicant that will be expended on the proposed  
13 operation; and a statement of prior experience, if any, in such field  
14 by the applicant. The documentation required of the applicant under  
15 this section shall comply with the provisions of RCW 9A.72.085.

16 (3) Subsection (2) of this section does not apply to an application  
17 for a certificate that is pending as of the effective date of this act.

18 NEW SECTION. Sec. 5. A new section is added to chapter 81.84 RCW  
19 to read as follows:

20 The commission, in granting a certificate to operate as a  
21 commercial ferry, shall require the operator to first obtain liability  
22 and property damage insurance from a company licensed to write  
23 liability insurance in the state or a surety bond of a company licensed  
24 to write surety bonds in the state, on each vessel or ferry to be used,  
25 in the amount of not less than one hundred thousand dollars for any  
26 recovery for personal injury by one person, and not less than one  
27 million dollars and in such additional amount as the commission shall  
28 determine, for all persons receiving personal injury and property  
29 damage by reason of one act of negligence, and not less than fifty  
30 thousand dollars for damage to property of any person other than the  
31 insured; or combined bodily injury and property damage liability  
32 insurance of not less than one million dollars, and to maintain such  
33 liability and property damage insurance or surety bond in force on each  
34 vessel or ferry while so used. Each policy for liability or property  
35 damage insurance or surety bond required by this section must be filed  
36 with the commission and kept in full force and effect, and failure to  
37 do so is cause for revocation of the operator's certificate.

1       **Sec. 6.** RCW 81.84.030 and 1961 c 14 s 81.84.030 are each amended  
2 to read as follows:

3       No certificate or any right or privilege thereunder held, owned, or  
4 obtained under the provisions of this chapter shall be sold, assigned,  
5 leased, mortgaged, or in any manner transferred, either by the act of  
6 the parties or by operation of law, except upon authorization by the  
7 commission first obtained. ~~((The commission may at any time by its  
8 order duly entered after hearing had upon notice to the holder of any  
9 certificate hereunder and an opportunity to such holder to be heard,  
10 suspend, revoke, alter, or amend any certificate issued under the  
11 provisions of this chapter, if the holder thereof wilfully violates or  
12 fails to observe the provisions or conditions of the certificate, or  
13 the orders, rules or regulations of the commission, or the provisions  
14 of this title.))~~

15       **Sec. 7.** RCW 81.84.050 and 1961 c 14 s 81.84.050 are each amended  
16 to read as follows:

17       Every ~~((steamboat company))~~ commercial ferry and every officer,  
18 agent, or employee of any ~~((steamboat company))~~ commercial ferry who  
19 violates or who procures, aids, or abets in the violation of any  
20 provision of this title, or any order, rule, regulation, or decision of  
21 the commission shall incur a penalty of one hundred dollars for every  
22 such violation. Each and every such violation shall be a separate and  
23 distinct offense, and in case of a continuing violation every day's  
24 continuance shall be and be deemed to be a separate and distinct  
25 violation. Every act of commission or omission which procures, aids,  
26 or abets in the violation shall be considered a violation under the  
27 provisions of this section and subject to the penalty herein provided  
28 for.

29       The penalty herein provided for shall become due and payable when  
30 the person incurring the same receives a notice in writing from the  
31 commission describing such violation with reasonable particularity and  
32 advising such person that the penalty is due.

33       The commission may, upon written application therefor, received  
34 within fifteen days, remit or mitigate any penalty provided for in this  
35 section or discontinue any prosecution to recover the same upon such  
36 terms as it in its discretion shall deem proper, and shall have  
37 authority to ascertain the facts upon all such applications in such  
38 manner and under such regulations as it may deem proper.

1        If the amount of such penalty is not paid to the commission within  
2 fifteen days after receipt of notice imposing the same or, if  
3 application for remission or mitigation has not been made, within  
4 fifteen days after the violator has received notice of the disposition  
5 of such application, the attorney general shall bring an action to  
6 recover the penalty in the name of the state of Washington in the  
7 superior court of Thurston county or of some other county in which such  
8 violator may do business. In all such actions the procedure and rules  
9 of evidence shall be the same as in ordinary civil actions except as  
10 otherwise herein provided. All penalties recovered by the state under  
11 this chapter shall be paid into the state treasury and credited to the  
12 public service revolving fund.

13        NEW SECTION.    **Sec. 8.** A new section is added to chapter 81.84 RCW  
14 to read as follows:

15        The commission, upon complaint by an interested party, or upon its  
16 own motion after notice and opportunity for hearing, may cancel,  
17 revoke, suspend, alter, or amend a certificate issued under this  
18 chapter on any of the following grounds:

19        (1) Failure of the certificate holder to initiate service by the  
20 conclusion of the fifth year after the certificate has been granted or  
21 by the conclusion of an extension granted under RCW 81.84.010 (2) or  
22 (3), if the commission has considered the progress report information  
23 required under RCW 81.84.010 (2) or (3);

24        (2) Failure of the certificate holder to file an annual report;

25        (3) The filing by a certificate holder of an annual report that  
26 shows no revenue in the previous twelve-month period after service has  
27 been initiated;

28        (4) The violation of any provision of this chapter;

29        (5) The violation of or failure to observe the provisions or  
30 conditions of the certificate or tariffs;

31        (6) The violation of an order, decision, rule, regulation, or  
32 requirement established by the commission under this chapter;

33        (7) Failure of a certificate holder to maintain the required  
34 insurance coverage in full force and effect; or

35        (8) Failure or refusal to furnish reasonable and adequate service  
36 after initiating service.

1 The commission shall take appropriate action within thirty days  
2 upon a complaint by an interested party or of its own finding that a  
3 provision of this section has been violated.

4 NEW SECTION. **Sec. 9.** A new section is added to chapter 81.84 RCW  
5 to read as follows:

6 The commission may, with or without a hearing, issue temporary  
7 certificates to operate under this chapter, but only after it finds  
8 that the issuance of the temporary certificate is necessary due to an  
9 immediate and urgent need and is otherwise consistent with the public  
10 interest. The certificate may be issued for a period of up to one  
11 hundred eighty days. The commission may prescribe such special rules  
12 and impose special terms and conditions on the granting of the  
13 certificate as in its judgment are reasonable and necessary in carrying  
14 out this chapter. The commission shall collect a filing fee, not to  
15 exceed two hundred dollars, for each application for a temporary  
16 certificate. The commission shall not issue a temporary certificate to  
17 operate on a route for which a certificate has been issued or for which  
18 an application by another commercial ferry operator is pending.
