5 On page 2, line 33, after "activities." insert the following:

6 "NEW SECTION. **Sec. 3.** The military department shall consult with
7 the watershed recovery council to identify and implement training and
8 readiness exercises that will assist in the state's watershed
9 restoration efforts. Particular emphasis shall be placed on projects
10 that assist in fish passage barrier removal, erosion control, and road
11 closure, obliteration, revegetation, and drainage improvements. If the
12 watershed recovery council is not established by July 1, 1994, then the
13 department shall consult with the commissioner of public lands and the
14 director of fish and wildlife to identify and implement watershed
15 restoration projects. Nothing in this section shall interfere with the
16 duties and functions of the military department as prescribed under
17 Title 38 RCW."
