5 On page 10, after line 20, insert the following:

6 "NEW SECTION. **Sec. 7.** A new section is added to chapter 36.70A
7 RCW to read as follows:

8 (1) The legislature finds that the department has, after extensive
9 study, determined that integrating the review process mandated under
10 the state environmental policy act and the comprehensive plan
11 requirements under the growth management act would result in numerous
12 benefits, including: (a) Saving time and money by combining analyses,
13 documents, public meetings, hearings, and other public participation;
14 (b) furthering the state environmental policy act's goal of conducting
15 environmental review early in the decision-making process; (c) creating
16 opportunities for broader, earlier, and continuous public
17 participation; and (d) expediting the approval of specific projects
18 because land-use alternatives, cumulative impacts, and the existing
19 environment will have already been considered.

20 (2) By the deadline for adoption of comprehensive plans, counties
21 and cities planning under this chapter shall, according to rules
22 adopted by the department, integrate development of comprehensive plans
23 under this chapter with the review process mandated under chapter
24 43.21C RCW.

25 (3) The department shall adopt rules necessary to implement this
26 section."

27 Renumber the remaining sections consecutively and correct any
28 internal references accordingly.
