5 On page 16, line 2, after "state." insert "Participating managed
6 care systems eligible as basic health care providers must permit
7 licensed care providers, on an individual or class basis, to provide
8 health services or care for conditions included in the basic benefit
9 package to the extent that:

10 (a) The provision of such health services or care is within the
11 health care providers' permitted scope of practice; and

12 (b) The providers agree to abide by standards related to:

13 (i) Provision, utilization review, and cost containment of health
14 services;

15 (ii) Management and administrative procedures; and

16 (iii) Provision of cost-effective and clinically efficacious health
17 services.

18 Eligible managed care systems shall develop and implement
19 procedures for: Disclosure of provider contracting standards developed
20 under this subsection; termination for cause of health care providers
21 who have failed to comply with standards developed under this
22 subsection; and appeal of a certified health plan's determination not
23 to contract with an individual provider or provider group or to
24 terminate a contract for cause."
