
HOUSE BILL 1647

State of Washington

53rd Legislature

1993 Regular Session

By Representatives Anderson, Reams, Voloria, Vance, Campbell, Dyer, Pruitt, Conway, Brough, King, Springer, Wineberry, Leonard and J. Kohl

Read first time 02/03/93. Referred to Committee on State Government.

1 AN ACT Relating to voting; and adding a new section to chapter
2 29.36 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 29.36 RCW
5 to read as follows:

6 The county auditor may establish one or more temporary, satellite
7 offices of the auditor's office at which any registered voter of the
8 county may be issued and vote an absentee ballot by personal
9 appearance. Such a satellite office may be located in any stationary
10 or mobile structure within the county. It need not be located in a
11 room separated from other activities in such a structure. For example,
12 it may be located, but is not limited to being located, in the
13 principal pedestrian corridor of a retail shopping mall.

14 The issuance of absentee ballots and the supervision of voting at
15 such a satellite office shall be conducted in the same manner as
16 absentee voting by personal appearance in the auditor's office except
17 as provided by this section. The auditor shall designate an election
18 board to issue the absentee ballots and supervise the voting at each
19 such satellite office. The composition of the election board shall

1 satisfy the political party representation and other requirements
2 established by this title for election boards assigned to other polling
3 places. Absentee ballots may be delivered to such a satellite office
4 by electronic facsimile or other means as long as such a delivery does
5 not jeopardize the ability of the auditor to account for the issuance
6 of each ballot.

7 Absentee ballot voting by personal appearance may be conducted at
8 such a satellite office not earlier than the twentieth day before the
9 primary or special or general election and not later than the day
10 before the primary or election. The hours and days during which a
11 satellite office is operated in that period shall be established by the
12 auditor.
