- AN ACT Relating to international trade; creating new sections; and
- 2 providing an expiration date.
- 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

- 6 International trade-related activities currently account for
- 7 approximately twenty percent of employment in this state even though
- 8 only a small percentage of businesses do extensive exporting.
- 9 Washington's long-term economic prosperity depends on the creation and
- 10 retention of jobs that international trade provides through providing
- 11 an expanded marketplace for goods and services produced in this state.
- 12 Increasing the number of businesses exporting and the foreign markets
- 13 accessed helps diversify the state economy and make the state's
- 14 businesses more competitive by providing experience in the
- 15 international marketplace. There are many international markets that
- 16 offer export potential for Washington businesses that are not currently
- 17 being accessed, particularly several Pacific rim countries. The
- 18 legislature also finds that there presently exists several programs and
- 19 initiatives by federal, state, and local governments that have to be
