
HOUSE BILL 2636

State of Washington

53rd Legislature

1994 Regular Session

By Representatives Schoesler, Lisk, Sheahan, Flemming, Tate, Fuhrman, Quall, Padden, Stevens, Van Luven, Shin and Chandler

Read first time 01/19/94. Referred to Committee on Education.

1 AN ACT Relating to running start; and amending RCW 28A.600.310 and
2 28A.600.330.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 28A.600.310 and 1993 c 222 s 1 are each amended to
5 read as follows:

6 (1) Eleventh and twelfth grade (~~students~~) pupils or (~~students~~)
7 pupils who have not yet received a high school diploma or its
8 equivalent and are eligible to be in the eleventh or twelfth grades may
9 apply to a community college or technical college to enroll in courses
10 or programs offered by the community college or technical college(~~-~~)
11 if the pupil: (a) Has a satisfactory high school attendance record, as
12 determined by high school personnel; (b) has a high school grade point
13 average of 2.25 or higher; and (c) is judged to be competent in
14 mathematics, reading, and writing by high school personnel, or passes
15 a mathematics, reading, and writing assessment designed to determine if
16 a pupil is ready for college-level course work.

17 (2) If a community college or technical college accepts a secondary
18 school pupil for enrollment under this section, the community college
19 or technical college shall send written notice to the pupil and the

1 pupil's school district within ten days of acceptance. The notice
2 shall indicate the course and hours of enrollment for that pupil.
3 Continued enrollment of the pupil shall be contingent on the pupil
4 maintaining a satisfactory attendance record in his or her high school
5 and college courses.

6 ((+2)) (3) The pupil's school district shall transmit to the
7 community college or technical college an amount per each full-time
8 equivalent college student at state-wide uniform rates for vocational
9 and nonvocational students. The superintendent of public instruction
10 shall separately calculate and allocate moneys appropriated for basic
11 education under RCW 28A.150.260 to school districts for purposes of
12 making such payments and for granting school districts seven percent
13 thereof to offset program related costs. The calculations and
14 allocations shall be based upon the estimated state-wide annual average
15 per full-time equivalent high school student allocations under RCW
16 28A.150.260, excluding small high school enhancements, and applicable
17 rules adopted under chapter 34.05 RCW. The superintendent of public
18 instruction and the state board for community and technical colleges
19 shall consult on the calculation and distribution of the funds. The
20 community college or technical college shall not require the pupil to
21 pay any other fees. The funds received by the community college or
22 technical college from the school district shall not be deemed tuition
23 or operating fees and may be retained by the community college or
24 technical college. A student enrolled under this subsection shall not
25 be counted for the purpose of determining any enrollment restrictions
26 imposed by the state on the community colleges.

27 **Sec. 2.** RCW 28A.600.330 and 1990 1st ex.s. c 9 s 404 are each
28 amended to read as follows:

29 A pupil who enrolls in a community college or a vocational-
30 technical institute in grade eleven may not enroll in postsecondary
31 courses under RCW 28A.600.300 through 28A.600.390 for high school
32 credit and community college or vocational-technical institute credit
33 for more than the equivalent of the course work for two academic years.
34 A pupil who first enrolls in a community college or vocational-
35 technical institute in grade twelve may not enroll in postsecondary
36 courses under this section for high school credit and community college
37 or vocational-technical institute credit for more than the equivalent
38 of the course work for one academic year. In addition, a pupil may

- 1 not receive more than fifteen hours of college quarter credit, or its
- 2 equivalent, each quarter.
