3 With the exception of agencies of the legislative and judicial

5 or group of agencies of state government (~~having an identifiable~~
6 ~~budget or having its financial records maintained according to an~~
7 ~~accounting system which identifies the expenditures and receipts~~
8 ~~properly attributable to that unit~~)) with the ability to identify
9 costs, revenues, or both may apply to the board (~~for selection as a~~
10 ~~candidate for the award of~~)) to participate in the teamwork incentive
11 (~~pay to its employees~~)) program. The application shall (~~be submitted~~
12 ~~prior to the beginning of any year and shall~~)) have the approval of the
13 heads of the agency or agencies within which the unit is located.

14 Applications shall be in the form specified by the board and
15 contain such information as the board requires. This may include, but
16 is not limited to, quantitative measures which establish a data base of
17 program output or performance expectations, or both. This data base is
18 used to evaluate savings in accordance with RCW 41.60.110(1).

19 The board shall evaluate the applications submitted. From those
20 proposals which are considered to be reasonable and practical and which
21 are found to include developed performance indicators which lend
22 themselves to a judgment of success or failure, the board shall select
23 the units to participate in the teamwork incentive (~~pay~~)) program.

24 **Sec. 4.** RCW 41.60.110 and 1989 c 56 s 3 are each amended to read
25 as follows:

26 (1) To qualify for (~~the award of~~)) a teamwork incentive (~~pay to~~))
27 program award for its employees, a unit selected shall demonstrate to
28 the satisfaction of the board that it has operated during the (~~year~~))
29 period of participation at a lower cost or with an increase in revenue
30 with (~~either an increase in the level of services rendered or with~~))
31 no decrease in the level of services rendered.

32 (a) A unit completing its (~~first year~~)) period of participation
33 shall compare costs or revenues during that (~~year~~)) period of
34 participation to (i) the (~~fiscal year~~)) expenditures or revenues for
35 (~~the year~~)) a comparable span of time immediately preceding the first
36 (~~year~~)) period of participation, or (ii) an average derived from the
37 unit's historical data, or (iii) engineered standards used in
38 conjunction with an average derived from the unit's historical data, or

1 (iv) anticipated revenue as based on statistical projections or
2 historical data;

3 (b) A unit participating in the teamwork incentive (~~(pay)~~) program
4 for two or more consecutive (~~(years)~~) times may choose to compare its
5 costs during the current (~~(year)~~) period of participation with (i) its
6 costs or revenues for the immediately preceding (~~(year)~~) period, or
7 (ii) (~~(a yearly)~~) an average of its costs or revenues for the preceding
8 two or three (~~(years)~~) comparable spans of time in the teamwork
9 incentive program;

10 (c) For the purposes of (a) of this subsection, a unit's historical
11 data shall be restricted to data generated during the period of three
12 years or less immediately preceding the unit's first (~~(year-of)~~)
13 participation in the teamwork incentive (~~(pay)~~) program; and

14 (d) For the purposes of (b) of this subsection, a unit's costs or
15 revenues for preceding (~~(years)~~) periods of time may include the costs
16 or revenues calculated under (a) (i), (ii), or (iii) of this subsection
17 for (~~(years)~~) the periods of time the unit participated in the teamwork
18 incentive (~~(pay)~~) program.

19 (2) The board shall satisfy itself from documentation submitted by
20 the organizational unit that the claimed cost of operation or level of
21 higher revenue is real and not merely apparent and that it is not, in
22 whole or in part, the result of:

23 (a) Chance;

24 (b) A lowering of the quality of the service rendered;

25 (c) Nonrecurrence of expenditures which were single outlay, or one-
26 time expenditures, in the preceding (~~(year)~~) comparable period of time;

27 (d) Stockpiling inventories in the immediately preceding (~~(year)~~)
28 period so as to reduce requirements in the eligible (~~(year)~~) time
29 period;

30 (e) Substitution of federal funds, other receipts, or nonstate
31 funds for programs currently receiving state appropriations;

32 (f) Unreasonable postponement of payments of accounts payable until
33 the (~~(year)~~) period immediately following the eligible (~~(year)~~) period
34 of participation;

35 (g) Shifting of expenses to another unit of government; or

36 (h) Any other practice, event, or device which the board decides
37 has caused a distortion which makes it falsely appear that a savings or
38 increase in revenue gains or an increase in level of services has
39 occurred.

1 (3) The board shall consider as legitimate (~~savings~~) efficiencies
2 those reductions in expenditures or increases in revenue made possible
3 by such items as the following:

4 (a) Reductions in overtime;

5 (b) Elimination of consultant fees;

6 (c) Less temporary help;

7 (d) Improved systems and procedures;

8 (e) Better deployment and utilization of personnel;

9 (f) Elimination of unnecessary travel;

10 (g) Elimination of unnecessary printing and mailing;

11 (h) Elimination of unnecessary payments for items such as
12 advertising;

13 (i) Elimination of waste, duplication, and operations of doubtful
14 value;

15 (j) Improved space utilization; (~~and~~)

16 (k) Improved methods of collecting revenue or recovering money owed
17 to the state; and

18 (l) Any other items determined by the board to represent cost
19 savings or increased revenue.

20 **Sec. 5.** RCW 41.60.120 and 1989 c 56 s 4 are each amended to read
21 as follows:

22 At the conclusion of the eligible (~~year~~) period, the board shall
23 compare the expenditures or revenues for that (~~year~~) period of each
24 unit selected against the expenditures or revenues of that unit for the
25 immediately preceding (~~year~~) period or expenditures or revenues
26 determined in accordance with RCW 41.60.110(1) (a) and (b) and, after
27 making such adjustments as in the board's judgment are required to
28 eliminate distortions, shall determine the amount, if any, that the
29 unit has reduced the unit's cost of operations or increased its level
30 of services or generated additional revenues to the state in the
31 eligible (~~year~~) period. Adjustments to eliminate distortions may
32 include any legislative increases in employee compensation and
33 inflationary increases in the cost of services, materials, and
34 supplies. Adjustments to additional revenue may include changes in
35 client populations and the effects of legal changes. If the board also
36 determines that (~~in the board's judgment~~) a unit qualifies for an
37 award, the board shall award to the employees of that unit a sum
38 (~~equal~~) up to twenty-five percent of the amount determined to be the

1 savings or revenue increases to the state for the level of services
2 rendered. The amount awarded shall be divided and distributed in
3 ~~((equal shares))~~ accordance with board rules to the employees of the
4 unit, except that employees who worked for that unit less than the
5 ~~((twelve months of the year))~~ full period during which the unit
6 conducted a teamwork incentive program shall receive only a pro rata
7 share based on the fraction of the ~~((year))~~ period worked for that
8 unit. No individual share of the unit award may exceed the maximum
9 award established by rule adopted by the board. Funds for this
10 teamwork incentive ~~((pay))~~ award shall be drawn from the ~~((agency))~~
11 agencies in which the unit is located or from the benefiting fund or
12 account without appropriation when additional revenue is generated to
13 the fund or account.

14 Awards may be paid to teams for process changes which generate new
15 or additional money for the general fund or any other funds of the
16 state. The director of the office of financial management shall
17 distribute moneys appropriated for this purpose with the concurrence of
18 the productivity board. Transfers shall be made from other funds of
19 the state to the general fund in amounts equal to award payments made
20 by the general fund, for innovations generating new or additional money
21 for those other funds.

22 **Sec. 6.** RCW 41.60.160 and 1987 c 387 s 8 are each amended to read
23 as follows:

24 No award may be made under this chapter to any elected state
25 official or state agency director. ~~((No monetary award may be made to~~
26 ~~persons exempt from the state civil service law under RCW 41.06.070 (5)~~
27 ~~or (9).))~~

28 NEW SECTION. **Sec. 7.** This act is necessary for the immediate
29 preservation of the public peace, health, or safety, or support of the
30 state government and its existing public institutions, and shall take
31 effect July 1, 1993.
