
SENATE BILL 5830

State of Washington

53rd Legislature

1993 Regular Session

By Senators Talmadge and Niemi

Read first time 02/16/93. Referred to Committee on Health & Human Services.

1 AN ACT Relating to chronically disabled, chemically dependent
2 persons; amending RCW 70.96A.020 and 66.08.120; adding new sections to
3 chapter 70.96A RCW; adding a new chapter to Title 82 RCW; creating a
4 new section; and providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that there is a small
7 number of chronically disabled, chemically dependent people who consume
8 a large portion of expensive public resources. The types of resources
9 used by this group include the police, courts, jails, emergency medical
10 transportation, emergency medical treatment services, detoxification
11 facilities, alcohol treatment facilities, and mental health services.
12 After using or receiving these services many of the people in this
13 population regress into the same behaviors which necessitated the
14 original use of public resources.

15 The legislature finds that incremental progress can be made in
16 resolving the obstacles to recovery for chronically disabled,
17 chemically dependent people by providing a comprehensive set of
18 treatment and support services.

14 NEW SECTION. Sec. 3. A new section is added to chapter 70.96A RCW
15 to read as follows:

16 (1) The legislative authority of any county that seeks to impose
17 the local option liquor sales tax authorized in section 5 of this act
18 must first develop a six-year plan for the provision of chemical
19 dependency treatment and support services for chronically disabled,
20 chemically dependent persons. The plan shall:

21 (a) Address the needs of this population by increasing the length
22 of their periods of sobriety, improving their overall quality of life,
23 and reducing their involvement with such services as detoxification,
24 police, court, and jail services, emergency transportation and medical
25 services, emergency room and hospital care, and involuntary commitment
26 services;

27 (b) Address the needs of mentally ill, chemically addicted persons.
28 This portion of the plan shall be developed in collaboration with the
29 local mental health regional support network;

30 (c) Reduce the overall prevalence of public intoxication;

31 (d) Include the revision of the current plan for the use of state
32 allocated funds for alcohol and substance abuse treatment to reflect
33 the changes necessary to implement the plan for chronically disabled,
34 chemically dependent people, and for the underserved populations as
35 funds permit.

36 (2) In addition to the plan enumerated in subsection (1) of this
37 section, a county may develop a comprehensive four-year plan by also
38 including a component which addresses chemical dependency service needs

1 of other high-risk, chemically dependent populations. This component
2 shall be used in allocating available state, federal, local, and
3 community resources and shall include:

4 (a) A needs assessment specifying the needs of populations most at
5 risk and most in need of publicly supported chemical dependency
6 services; and

7 (b) Proposed revisions and improvements in existing services and
8 systems to better meet the specified needs including those revisions
9 and improvements that can be accomplished without any change in
10 existing resources or categorical funding restrictions, those that
11 require waivers from existing state or federal categorical
12 restrictions, and those that require additional resources.

13 (3)(a) The plan shall be approved by the department of social and
14 health services prior to implementation of the local option liquor
15 sales tax. The department shall adopt, by rule, the criteria used to
16 determine the approval of the comprehensive plans.

17 (b) The county legislative authority must reapply to the department
18 for approval of the county's plan every four years. The department
19 shall not approve the county's reapplication unless the county
20 demonstrates: (i) Substantial progress in providing treatment and
21 support services to chronically disabled, chemically dependent people;
22 and (ii) a significant reduction in the use of other public resources
23 traditionally used by chronically disabled, chemically dependent
24 people.

25 (c) The department shall approve or reject an application within
26 sixty days of its receipt. If the application is rejected the
27 department shall provide a written explanation stating the grounds for
28 rejection and allow the county thirty days to revise and resubmit the
29 plan. If the department does not approve a renewal application, after
30 allowing an opportunity for resubmittal, the county's authority to
31 impose a local option liquor sales tax shall immediately cease.

32 (4) For the purposes of this section "treatment and support
33 services" means a comprehensive set of chemical dependency treatment
34 and support services which can be made available to the adult
35 chronically disabled, chemically dependent person according to the
36 individual's needs. The services may consist of outreach, sobering
37 services, detoxification, case management, inpatient and outpatient
38 treatment, transitional housing, permanent housing, and support

1 services such as vocational and educational services, child care,
2 health care, and mental health care.

3 NEW SECTION. **Sec. 4.** A new section is added to chapter 70.96A RCW
4 to read as follows:

5 (1) The legislative authority of the county may request from the
6 department of social and health services a waiver from the existing
7 categorical funding restrictions for alcohol and substance abuse
8 programs, if those restrictions impair the county's ability to
9 implement the comprehensive chemical dependency services plan submitted
10 under section 3(2) of this act. The department is authorized to grant
11 a waiver and, if necessary, seek any required federal waivers.

12 (2) Before granting a waiver the department shall ensure that the
13 county's plan provides a comprehensive, coordinated program for
14 chemical dependency and substance services to the adult chronically
15 disabled, chemically dependent; mentally ill, chemically addicted;
16 youth; women; ethnic and racial minorities; and multiple substance
17 abusing people.

18 NEW SECTION. **Sec. 5.** (1) The legislative authority of any county
19 may impose a tax upon each retail sale of spirits, or strong beer in
20 the original package sold within the county at a rate not to exceed
21 three percent of the selling price. The tax imposed in this subsection
22 shall apply to all sales including sales by the Washington state liquor
23 stores and agencies, but excluding sales to class H licensees.

24 (2) The legislative authority of any county may impose a tax upon
25 each sale of spirits, or strong beer in the original package sold
26 within the county at a rate not to exceed two percent of the selling
27 price on sales by Washington state liquor stores and agencies to class
28 H licensees.

29 (3) The legislative authority of any county may impose a tax upon
30 each retail sale of spirits in the original package sold within the
31 county at a rate not to exceed thirty-four cents per liter. The
32 additional tax imposed in this subsection shall apply to all such sales
33 including sales by Washington state liquor stores and agencies, and
34 including sales to class H licensees.

35 (4) Proceeds of the taxes imposed under this section shall be used
36 solely for providing a comprehensive set of chemical dependency

1 treatment and support services for chronically disabled, chemically
2 dependent persons as defined in section 2 of this act.

3 (5) The county shall meet the requirements contained in section 3
4 of this act prior to imposing any tax under this section.

5 (6) The taxes imposed in this section shall be paid by the buyer to
6 the seller, and each seller shall collect from the buyer the full
7 amount of the tax payable in respect to each taxable sale under this
8 section. The taxes required by this section to be collected by the
9 seller shall be stated separately from the selling price and for
10 purposes of determining the tax due from the buyer to the seller, it
11 shall be conclusively presumed that the selling price quoted in any
12 price list does not include the taxes imposed by this section.

13 (7) As used in this section, the terms, "spirits," "strong beer,"
14 and "package" shall have the meaning ascribed to them in chapter 66.04
15 RCW.

16 NEW SECTION. **Sec. 6.** (1) The counties imposing a tax under
17 section 5 of this act shall contract, prior to the effective date of a
18 resolution or ordinance imposing the tax, the administration and
19 collection to the state department of revenue, which shall deduct a
20 percentage amount, as provided by contract, not to exceed two percent
21 of the taxes collected for administration and collection expenses
22 incurred by the department. The remainder of any portion of any tax
23 authorized by section 5 of this act which is collected by the
24 department of revenue shall be deposited by the department of revenue
25 in a local liquor sales tax account which is hereby created in the
26 state treasury.

27 (2) Moneys in the local liquor sales tax account may only be spent
28 by the county imposing the tax and only for the purposes of the
29 county's chemical dependency treatment and support services plan as
30 approved by the department of social and health services under section
31 3(3) of this act.

32 (3) All administrative provisions in chapters 82.03, 82.08, 82.12,
33 and 82.32 RCW shall, insofar as they are applicable to state sales and
34 use taxes, be applicable to taxes imposed pursuant to this chapter.

35 (4) Except as provided in RCW 43.08.190, all earnings of
36 investments of balances in the local liquor sales tax account shall be
37 credited to the local liquor sales tax account and distributed to the
38 counties monthly.

1 NEW SECTION. **Sec. 7.** Monthly the state treasurer shall make
2 distribution from the local liquor sales tax account to the counties
3 the amount of tax collected on behalf of each county, less the
4 deduction provided for in section 6 of this act. The state treasurer
5 shall make the distribution under this section without appropriation.

6 In the event that any ordinance or resolution imposes a local
7 liquor sales tax at a rate in excess of the authorized limits contained
8 in section 5 of this act, such ordinance or resolution shall not be
9 considered void in its entirety, but only with respect to that portion
10 of the rate which is in excess of the authorized limits.

11 **Sec. 8.** RCW 66.08.120 and 1933 ex.s. c 62 s 29 are each amended to
12 read as follows:

17 section 5 of this act. Any other power now conferred by law on any
18 municipality or county to license premises which may be licensed under
19 this section, or to impose an excise tax upon liquor, or to license the
20 sale and distribution thereof, as defined in this title, shall be
21 suspended and shall be of no further effect~~((:—PROVIDED, That))~~.
22 Municipalities and counties shall have power to adopt police ordinances
23 and regulations not in conflict with this title or with the regulations
