ENGROSSED SENATE BILL 6356

---

State of Washington

53rd Legislature

1994 Regular Session

By Senator Quigley

Read first time 01/20/94. Referred to Committee on Health & Human Services.

1 AN ACT Relating to cigarette machine locations; and amending RCW  
2 70.155.030.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 70.155.030 and 1993 c 507 s 4 are each amended to read  
5 as follows:

6 (1) No person shall sell or permit to be sold any tobacco product  
7 through any device that mechanically dispenses tobacco products unless  
8 the device is located fully within premises from which minors are  
9 prohibited or in industrial worksites where minors are not employed and  
10 not less than ten feet from all entrance or exit ways to and from each  
11 premises.

12 (2) Notwithstanding subsection (1) of this section, the board shall  
13 adopt rules that allow an exception to the requirement that a device be  
14 located not less than ten feet from all entrance or exit ways to and  
15 from a premise under the following conditions: (a) If the device is  
16 fully visible at all times to the employee or employees within the  
17 premise who exercise control over the device; and (b) if it is  
18 physically impractical for the device to be located not less than ten

1 feet from all doorways and exits. No application to the board is  
2 necessary for the exception provided in this section to be effective.
