27 **Sec. 2.** RCW 28C.10.084 and 1990 c 188 s 8 are each amended to read
28 as follows:

29 (1) The agency shall establish, maintain, and administer a tuition
30 recovery trust fund. All funds collected for the tuition recovery
31 trust fund are payable to the state for the benefit and protection of
32 any student or enrollee of a private vocational school licensed under
33 this chapter, or, in the case of a minor, his or her parents or
34 guardian, for purposes including but not limited to the settlement of
35 claims (~~{procedures}~~) related to school closures under subsection
36 (~~{(9)}~~) (10) of this section and the settlement of claims under RCW
37 28C.10.120. The fund shall be liable for settlement of claims and
38 costs of administration but shall not be liable to pay out or recover

1 penalties assessed under RCW 28C.10.130 or 28C.10.140. No liability
2 accrues to the state of Washington from claims made against the fund.

3 (2) By June 30, 1998, a minimum operating balance of one million
4 dollars shall be achieved in the fund and maintained thereafter. If
5 disbursements reduce the operating balance below two hundred thousand
6 dollars at any time before June 30, 1998, or below one million dollars
7 thereafter, each participating entity shall be assessed a pro rata
8 share of the deficiency created, based upon the incremental scale
9 created under subsection (6) of this section. The agency shall adopt
10 schedules of times and amounts for effecting payments of assessment.

11 (3) To be and remain licensed under this chapter each entity shall,
12 in addition to other requirements under this chapter, make cash
13 deposits into a tuition recovery trust fund as a means to assure
14 payment of claims brought under this chapter. ~~((The fund shall be~~
15 ~~initially capitalized at two hundred thousand dollars and shall achieve~~
16 ~~an operating balance of at least one million dollars within five years~~
17 ~~after May 18, 1987, as required under subsection (5) of this section.~~

18 ~~(3))~~ (4) The amount of liability that can be satisfied by this
19 fund on behalf of each individual entity licensed under this chapter
20 shall be established by the agency, based on an incremental scale that
21 recognizes the average amount of unearned prepaid tuition in possession
22 of the entity. However, the minimum amount of liability for any entity
23 shall not be less than five thousand dollars ~~((and the maximum amount~~
24 ~~shall not exceed two hundred thousand dollars. Such limitation on each~~
25 ~~entity's liability remains unchanged by single or cumulative~~
26 ~~disbursements made on behalf of the entity)). The upper limit of~~
27 ~~liability is reestablished ((following the settlement of any claim))~~
28 after any disbursements are made to settle an individual claim or class
29 of claims.

30 ~~((4) Within sixty days after any entity deposits its initial~~
31 ~~contribution into the fund, the agency shall release whatever surety~~
32 ~~such entity had previously filed. Thereupon, the tuition recovery fund~~
33 ~~shall be liable for a period of one year following the date such surety~~
34 ~~is released with respect to prior claims against the surety. However,~~
35 ~~the liability of the fund is limited to the amount of and subject to~~
36 ~~the defenses of that released surety as though it had remained on file~~
37 ~~with the agency.)) (5) The fund's liability with respect to each~~
38 participating entity ((that makes an)) commences on the date of its

1 initial deposit into the fund (~~((commences on that date))~~) and ceases one
2 year from the date it is no longer licensed under this chapter.

3 ~~((+5))~~ (6) The agency shall adopt by rule a matrix for calculating
4 the deposits into the fund required of each entity. Proration shall be
5 determined by factoring the entity's share of liability in proportion
6 to the aggregated liability of all participants under the fund by
7 grouping such prorations under the incremental scale created (~~((in))~~) by
8 subsection (~~((+3))~~) (4) of this section. Expressed as a percentage of
9 the total liability, that figure determines the amount to be
10 contributed when factored into a fund containing one million dollars.
11 The total amount of its prorated share, minus the amount paid for
12 initial capitalization, shall be payable in (~~((ten equal))~~) up to twenty
13 increments over a (~~((five))~~) ten-year period, commencing with the sixth
14 month after (~~((May 18, 1987))~~) the entity makes its initial
15 capitalization deposit. Additionally, the agency shall require
16 deposits for initial capitalization, under which the amount each entity
17 deposits is proportionate to its share of two hundred thousand dollars,
18 employing the matrix developed under this subsection. The amount thus
19 established shall be deposited (~~((by each licensee of record, within~~
20 ~~thirty days after May 18, 1987, and a like amount shall be deposited))~~)
21 by each (~~((subsequent))~~) applicant for initial licensing before the
22 issuance of such license.

23 ~~((+6))~~ (7) No vested right or interests in deposited funds is
24 created or implied for the depositor, either at any time during the
25 operation of the fund or at any such future time that the fund may be
26 dissolved. All funds deposited are payable to the state for the
27 purposes described under this section. The agency shall maintain the
28 fund, (~~((collect deposits when due by serving))~~) serve appropriate
29 notices to affected entities when scheduled deposits are due, collect
30 deposits, and make disbursements to settle claims against the fund.
31 When the aggregated deposits total five million dollars and the history
32 of disbursements (~~((so warrants))~~) justifies such modifications, the
33 agency may at its own option reduce the schedule of deposits whether as
34 to time, amount, or both(~~((When such level is achieved,))~~) and the
35 agency may also entertain proposals from among the licensees with
36 regard to disbursing surplus funds for such purposes as vocational
37 scholarships.

38 ~~((+7) The agency shall make determinations))~~ (8) Based on annual
39 financial data supplied by the entity the agency shall determine

1 whether the increment assigned to that entity on the incremental scale
2 established under subsection ~~((+5))~~ (6) of this section has changed.
3 If an increase or decrease in gross annual tuition income has occurred,
4 a corresponding change in its incremental position and contribution
5 schedule shall be made before the date of its next scheduled deposit
6 into the fund. Such adjustments shall only be calculated and applied
7 annually.

8 ~~((+8))~~ (9) No deposits made into the fund by an entity are
9 transferable. If ~~((fifty one percent or more of))~~ the majority
10 ownership interest in an entity is conveyed through sale or other means
11 into different ownership, ~~((the contribution schedule of the prior~~
12 ~~owner is canceled.))~~ all contributions made to the date of transfer
13 accrue to the fund. The new owner commences contributions under
14 provisions applying to a new applicant.

15 ~~((+9))~~ (10) To settle ~~((complaints))~~ claims adjudicated under RCW
16 28C.10.120 and claims resulting when a private vocational school ceases
17 to provide educational services, the agency may make disbursements from
18 the fund. Students enrolled under a training contract executed between
19 a school and a public or private agency or business are not eligible to
20 make a claim against the fund. In addition to the processes described
21 for making reimbursements related to claims under RCW 28C.10.120 ~~((for~~
22 ~~handling complaints))~~, the following ~~((additional))~~ procedures are
23 established to deal with reimbursements related to school closures:

24 (a) The agency shall attempt to notify all potential claimants.
25 The ~~((absence))~~ unavailability of records and other circumstances
26 surrounding a school closure may make it impossible or unreasonable for
27 the agency to ascertain the names and whereabouts of each potential
28 claimant but the agency shall make reasonable inquiries to secure that
29 information from all likely sources. The agency shall then proceed to
30 settle the claims on the basis of information in its possession. The
31 agency is not responsible or liable for claims or for handling claims
32 that may subsequently appear or be discovered.

33 (b) Thirty days after identified potential claimants have been
34 notified, if a claimant refuses or neglects to file a claim
35 verification as requested in such notice, the agency shall be relieved
36 of further duty or action on behalf of the claimant under this chapter.

37 (c) After verification and review, the agency may disburse funds
38 from the tuition recovery trust fund to settle or compromise the
39 claims. However, the liability of the fund for claims against the

1 closed entity shall not exceed (~~(that total amount of the contribution~~
2 ~~schedule))~~ the maximum amount of liability assigned to that entity
3 under subsection (~~((+5))~~) (6) of this section.

4 (d) In the instance of claims against a closed school, the agency
5 shall seek to recover such disbursed funds from the assets of the
6 defaulted entity, including but not limited to asserting claims as a
7 creditor in bankruptcy proceedings.

8 (~~((+10))~~) (11) When funds are disbursed to settle claims against a
9 current licensee, the agency shall make demand upon the licensee for
10 recovery. The agency shall adopt schedules of times and amounts
11 (~~(acceptable)~~) for effecting recoveries. An entity's failure to
12 perform subjects its license to suspension or revocation under RCW
13 28C.10.050 in addition to any other available remedies.

14 (~~((+11) A minimum operating balance of two hundred thousand dollars~~
15 ~~shall be maintained in the fund. If disbursements reduce the balance~~
16 ~~below two hundred thousand dollars, each participating entity shall be~~
17 ~~assessed a pro rata share of the deficiency created, based upon the~~
18 ~~incremental scale created under subsection (5) of this section. The~~
19 ~~agency shall promptly adopt schedules of times and amounts acceptable~~
20 ~~for affecting payments of assessments.))~~)

21 **Sec. 3.** RCW 28C.10.120 and 1990 c 188 s 10 are each amended to
22 read as follows:

23 (1) Complaints may be filed under this chapter only by a person
24 claiming loss of tuition or fees as a result of an unfair business
25 practice (~~(may file a complaint with the agency)~~). The complaint shall
26 set forth the alleged violation and shall contain information required
27 by the agency on forms provided for that purpose. A complaint may also
28 be filed with the agency by an authorized staff member of the agency or
29 by the attorney general.

30 (2) The agency shall investigate any complaint under this section
31 and (~~(may))~~ shall first attempt to bring about a negotiated settlement.
32 The agency director or the director's designee may (~~(hold a hearing~~
33 ~~pursuant to the Administrative Procedure Act, chapter 34.05 RCW,))~~
34 conduct an informal hearing with the affected parties in order to
35 determine whether a violation has occurred.

36 (3) If (~~(, after the hearing,))~~ the agency finds that the private
37 vocational school or its agent engaged in or is engaging in any unfair
38 business practice, the agency shall issue and cause to be served upon

1 the violator an order requiring the violator to cease and desist from
2 the act or practice and may impose the penalties provided under RCW
3 28C.10.130. If the agency finds that the complainant has suffered loss
4 as a result of the act or practice, the agency may order the violator
5 to pay full or partial restitution ((for the loss)) of any amounts
6 lost. The loss may include any money paid for tuition, required or
7 recommended course materials, and any reasonable living expenses
8 incurred by the complainant during the time the complainant was
9 enrolled at the school.

10 (4) The complainant is not bound by the agency's determination of
11 restitution. The complainant may reject that determination and may
12 pursue any other legal remedy.

13 ((4)) (5) The violator may, within twenty days of being served
14 any order described under subsection (3) of this section, file an
15 appeal under the administrative procedure act, chapter 34.05 RCW.
16 Timely filing stays the agency's order during the pendency of the
17 appeal. If the agency prevails ((in any administrative hearing)), the
18 ((private vocational school)) appellant shall pay the costs of the
19 administrative hearing.

20 **Sec. 4.** RCW 43.84.092 and 1992 c 235 s 4 are each amended to read

24 account is hereby established in the state treasury.
