

1047-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Rust, Horn, Valle, Long, Springer, Brough, Forner, Miller, Edmondson, Lemmon, Tate, Chandler, Wood, Roland and J. Kohl)

Brief Description: Requiring solid waste reports and landfill fee reciprocity on waste received from outside the state.

HB 1047-S - DIGEST

(DIGEST AS ENACTED)

Requires a sixty day notice by holders of permits for a landfill disposal or incineration facility prior to receiving solid waste generated from outside the state.

Directs the imposition of a fee on incoming solid waste if the public entity outside the state imposes a fee on disposal of waste from this state.
