Brief Description: Changing provisions relating to jury source lists.

**HB 1084 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Requests the supreme court to adopt rules by September 1, 1994, regarding the methodology and standards for merging the list of registered voters with the list of licensed drivers and identicard holders to create an expanded jury source list.

Requires a preliminary determination of the qualifications of each person summoned for jury duty prior to their appearance at the court.

Authorizes the use of social security numbers on jury lists if approved by federal law.

Makes an appropriation of an unspecified amount to carry out the purposes of the act.
