Brief Description: Modifying controlled substances definitions, standards, and schedule.

HB 1254 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Modifies controlled substances definitions, standards, and schedules.

Establishes requirements for prevention and control of diversion of licit drugs to illicit channels of distribution or use.

Makes manufacture, distribution, or dispensing of counterfeit substances a crime. Treats controlled substance analog as schedule I substance.

Modifies registration requirements and authority to prescribe controlled substances.
