Brief Description: Providing for security of automated teller
machines and night depositories.

HB 1849-S.E - DIGEST

(DIGEST AS ENACTED)

Declares an intent to enhance the safety of consumers using
automated teller machines and night deposit facilities without
discouraging the siting of the devices in locations convenient to
consumers' homes and workplaces.

Preempts and supersedes the regulations of a local entity.

Establishes requirements for lighting the areas around
automated teller machines and night deposit facilities.

Requires the issuer of an access device to furnish a notice of
safety precautions to the customer.
